

Noble Nurse ID Badge Photo Requirements

- Photo must be **in color**.
- Photo has **white or off-white background**. If you take photo against a white wall, there should be no decoration on the wall.
- Look straight to the camera. **Both ears** should be **visible**.
- The photo must be with **neutral facial expression**.
- **Both eyes** should be **open**.
- **Mouth** must be **closed**. No smiling.
- Do not wear a hat. **Full face** must be visible.
- There should be no other objects in the photo background or on the face, such as headset. There should be no hair on the face as well.
- If you wear glasses, ensure that there is no reflection on the glasses. Both eyes must be clearly visible.
- Forehead and eyebrows should be visible. Do not cover eyebrows with hair.
- There must be **no shadow** on the face and behind the head.
- Lighting on the face must be even.
- Photo must show a close up of the applicant's head and the top of the shoulders

Lighting and Positioning Tips

1. Take photo in bright room. Use a white wall as background.
2. Stand one meter away from the wall, otherwise there may be shadow on the wall.
3. Use a tripod. Adjust the camera position to the eye level.
4. When adjust the camera distance to leave enough space between the top of the head and top border of the photo.

Please contact the office with any questions.
