## FATIMA BATOOL

M.A Education (PU), Cert Trainer

**Assalam O Alaikum,**

**Professional career needs a continuous training to sharp the existing skills to do better in current jobs and acquire new set of skills to meet the future job responsibilities.**

**Omicron Training Network (OTN) remained successful in providing state of the art trainings, seminars, and expert talk series from highly qualified experts of Industry and Education Sectors. In a very short time, we are able to transform around 500 plus professionals and students.**

**Please do contact us through our website [www.omicronnet.com](http://www.omicronnet.com) if you need any assistance to shine out in your career, consultation to select subjects in higher education, acquiring professional certifications, training, specialized career counseling and to improve communications skills.**

**Stay Blessed,  
Fatima**

# SENIOR ADVISOR

**MUHAMMAD AFZAL MALIK**

Executive Education, WBS, UK  
MS, MBA, BE (NUST)

Thanks to Omicron Training Network (OTN) for providing such a great platform to interact with professionals and youth for their career development.

Learning is a life-long journey and we need guidance in every aspect of life, at any age or stage, starting from physical health, education, professional growth, emotional health, soft skills and technology related skills.

Right and correct guidance can save efforts, time and money.

Omicron Training Network (OTN) has a unique, wise and technically strong team in their areas of knowledge.

Wishing You Professional Success and growth,  
Muhammad Afzal Malik

Mr. Afzal Malik is senior global business executive leader. He has experience working with DragonWave Canada, USEN Pakistan, NEC Japan and Siemens.
