New Business

- Common St – general township roads – Resident called stating he felt they are narrowing. Larry Murphy was told that if he or Mike receive any calls from residents, they are to instruct them to contact a Supervisor and they do not need to listen to any complaints. The Supervisors all stated they felt the resident was talking about the part of Common St that is cared for by Collinwood Township as the Hutch Township west half is in good shape along with all the roads with the dry weather we are having. – No further action required.
