### **Old Business:**

- Ag Systems Variance – Septic – A Variance is needed to place a septic holding tank closer than 10 ft to a building. This is do to the high traffic area the tank would be in if it was 10 ft from the building. Brent Uecker moved to approve the variance. Second by Craig Powell. Carried – No Action Needed
- Larry Murphy discussed the road condition – looking good for this time of year. Larry stated that there are some tree branches hanging over the road on O'day Ave that need to be trimmed as he can't get his equipment under them anymore. Brent will take a look and see if they are on resident property or the road rite-of-way and handle it however it needs to be taken care – by the resident or the township. Larry also had a list of roads that he feels need to have gravel added. It was decided they did need gravel and a few others were added to the list. – No further action needed at this time

**Concerns from Residents:**

- Nothing was brought forward
