"I can help out, but I can't commit to that..." But do you actually know what the 'commitment' is??

PINNACLE HIGH SCHOOL WRESTLING

Our only Fundraiser of the year!

A new way of fusing social media and email. SNAP Raise is one of the leading fundraising platforms for groups and we are excited to get started. This helps pay our team's operating costs that are not covered by the school. At an upcoming practice, our SNAP representative will record a short video of the team explaining our online fundraiser. Once setup, the fundraiser runs itself, generating donation requests via email, showing them your wrestler and the team's video.

We have used SNAP Raise in the past with a lot of success. BUT they have one requirement! They require a minimum of **(20)** people that may be reached out to via SNAP Raise generated emails. Please help your student-athlete gather the email address prior to our fundraiser meeting, at the start of an upcoming practice.

The list of **(20)** people should include your child's biggest fans and supporters. It is our hope and expectation that each student-athlete will have an impact on our program's success. Here are their next steps:

- Have them enter full names & email addresses into the **NOTES** area of their phone
 - ✓ *This will allow them to copy/paste the info into the SNAP Raise website quickly!*
- Avoid using emails of their teachers, friends, or strangers.
 - ✓ *Examples below:*

- | | |
|--------------------------|------------------------------------|
| 1. Parent/Guardian(s) #1 | 11. Scout/Troop Leader |
| 2. Parent/Guardian(s) #2 | 12. Family Friend #1 |
| 3. Grandma(s) | 13. Family Friend #2 |
| 4. Grandpa(s) | 14. Former Coach(s) |
| 5. Cousin(s) | 15. School Alumni |
| 6. Uncle(s) | 16. Local businesses that know you |
| 7. Aunt(s) | 17. Neighbor(s) |
| 8. Family Doctor | 18. Parent's co-worker(s) |
| 9. Orthodontist/Dentist | 19. Friends of parents |
| 10. Church/Social Leader | 20. Adult Sibling(s) |

⇒ ***To receive the maximum percentage of the funds raised during our fundraiser, SNAP Raise requires all participating student-athletes to provide (20) emails address. Otherwise, we will receive a lower percentage of the funds raised.***
