RAINBOW

CUTTING ACTIVITY

editable!

1. Download and save PDF and open from saved location.
2. TYPE student's name into PDF on cloud image.
3. Print out cloud image.
4. Print out rainbow lines. 2 Versions Included:
   - colored version or
   - have child color the blank version.
3. If using blank lines, have the child color each row a different color.
4. Cut out each line (adult may have to assist depending on skill level).
5. Cut out cloud (adult may have to assist depending on skill level).
6. Glue each colored strip vertically (hanging) behind the cloud.
