

Kollab Youth

Burbank & Greater East Valley Boys & Girls Club

October 22, 2022 Elementary & Middle School Career Exploration Event

Kollab Youth

KOLLAB Youth has expanded their coveted career exploration and workforce readiness program to provide elementary and middle school aged children opportunities to discover their strengths, explore different industries, and ignite personal passion.

Through hands-on experiences in STEM, KOLLAB Youth fosters the development of future-proof skills and provides personalized career exploration for every child they serve.

Kollab Youth

The program launched with 4 primary goals:

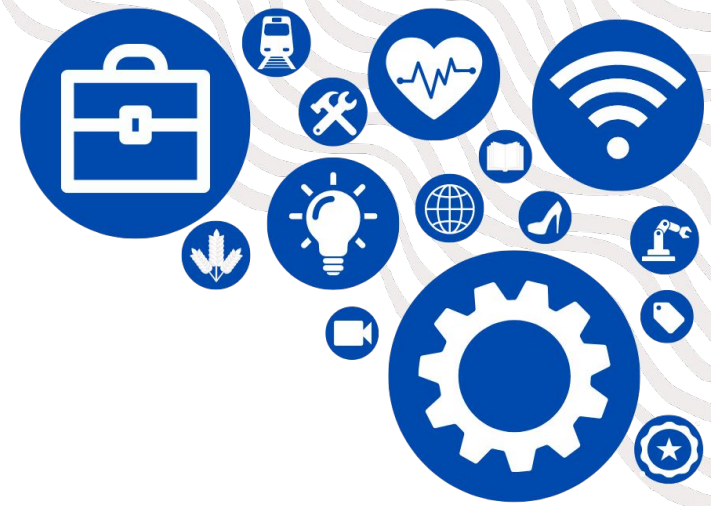

Goal 1: Provide an Engaging Experience in STEM

Goal 2: Increase Exposure to STEM Careers

Goal 3: Connect Personal Strengths to Career

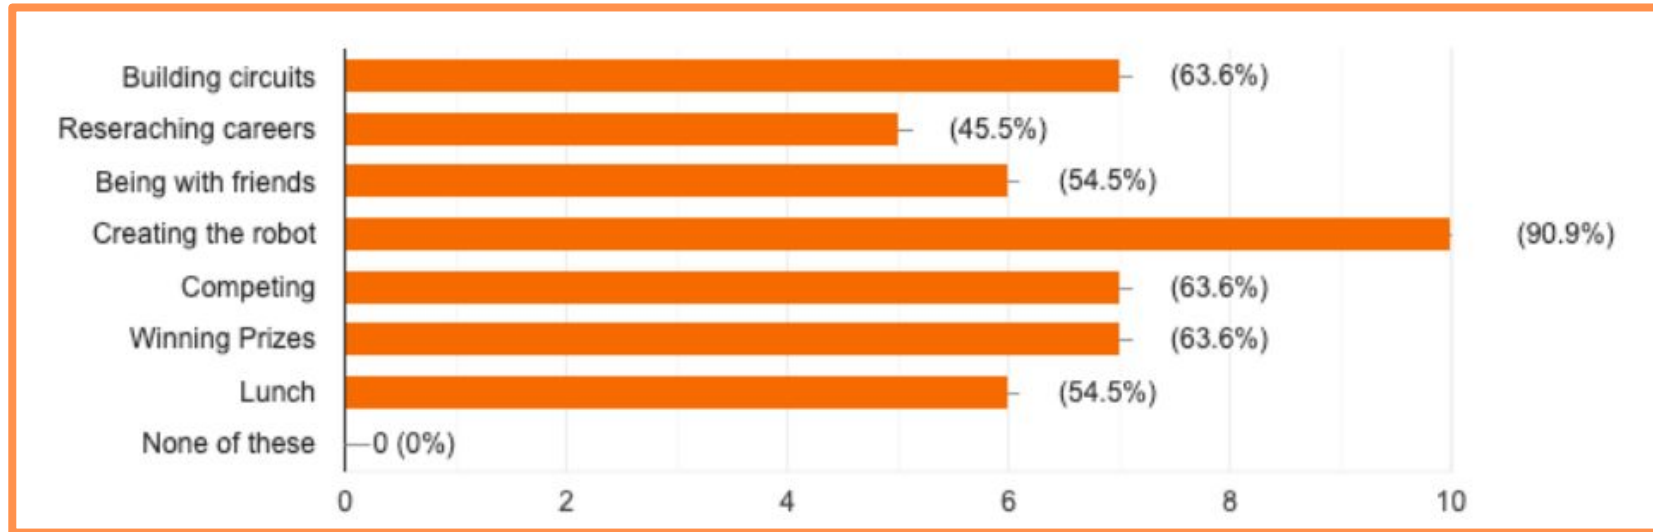

Goal 4: Develop Future-Proof Skills

The outcomes and impact of the program reaffirm the reason for the deep commitment to this work.

Goal 1: Provide an Engaging STEM Experience

Which parts of today's event did you enjoy?

Goal 1: Provide an Engaging STEM Experience

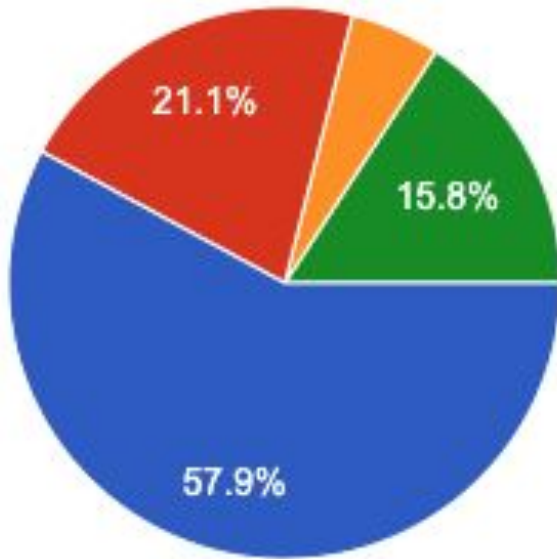

90

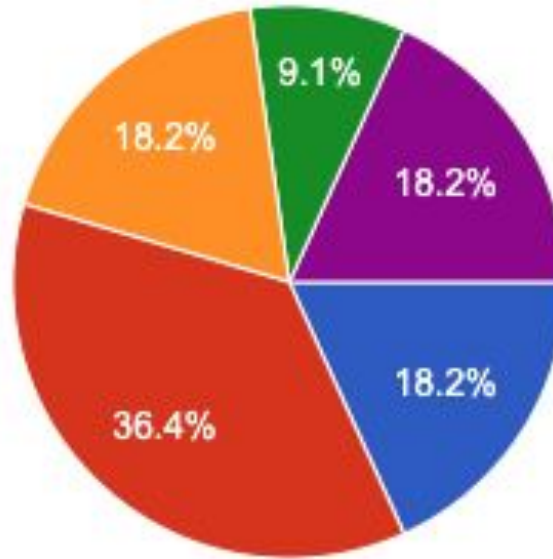

Percentage of youth that reported joy in building the bots. The energy and enthusiasm during the competition phase *was palatable.*

Goal 2: Increase Exposure to STEM Careers

How many STEM Careers can you name?
