SAM4s Titan 260

Touch Screen POS System

The Sam4s Titan 260 is a fanless, compact, multi-function EPOS terminal, fitted with 5th Generation Intel Celeron N3160 processor making it one of the fastest POS terminals in its class.

Titan 260 as one of the fastest & quietest PC POS terminals in its class. Coupled with its on board 64GB SSD, ensures that the solid state drive remains dust free & ingress free, ideal for harsh retail & hospitality environments.

Key Features:

- Industrial Quality LED Display 15" True Waterproof Flat Front Panel.
- 15" TFT LED, 1VD5 1024 x 768 (XGA LCD) PCT Projected Capacitive Touch Technology Supports Multi-Touch.
- 5th Generation Intel Celeron 2.24Ghz N3160 Quad Core Fanless.
- DDRIII 1 Slot 2GB Memory (up to 8GB).
- SATA-III 2.5" 64GB SSD.
- 1 x 10/100/1000 Mbps LAN.
- Tool-less Design Provides Easy Installation & Maintenance.
- Die-Cast Aluminium Base.
- Internal Power Adaptor.
- Small Footprint.
- Vesa Wall or Pole Mountable.
- Windows POSReady 7 / Windows 10 IoT.

The Sam4s Titan 260's vibrant & precise 15" projective capacitive multi-touch display is extremely durable in most environments including withstanding water contact, dust & grease.

The Sam4s capacitive touch panels will activate with either a bare finger or a capacitive stylus preventing users from using pens, credit cards or sharp objects which potentially would reduce the life expectancy of resistive touch panels. In addition the screen has a more vivid & crisp colour enhancing the quality of the POS user interface.

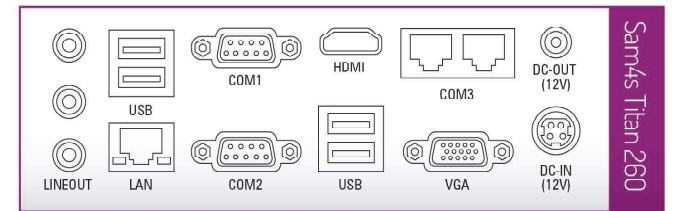

Incorporating the latest 5th Generation Intel Celeron 2.24Ghz N3160 Quad Core Fanless Processor benchmark's the Sam4s

With its spill proof multi-touch bezelless display, ergonomic design and die cast aluminium base, the Sam4s Titan 260 is one of the most stylish point of sale terminals in its sector. With either traditional stand or VESA options for wall & pole mount provides greater flexibility of installation.

The Sam4s Titan 260 incorporates an easily removable built-in power supply which reduces cable management. A reliable & accessible system the Sam4s Titan PC POS terminal has many added benefits making it excellent value for money & a great investment as your POS equipment.

The Sam4s Titan 260 comes with VESA mount adaptor for counter top or wall mount installations. Optional 2-Line VFD & 9.7" / 15" LCD Rear Customer Displays are also available.

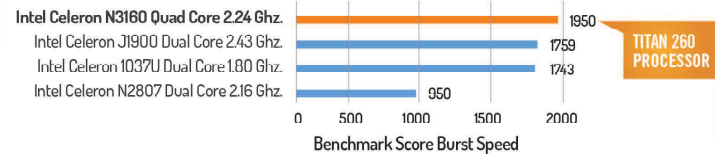

Options Including:

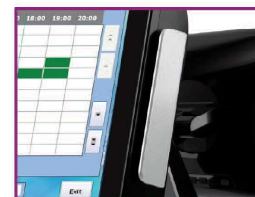

- Sam4s 2-Line VFD Customer Display.
- Sam4s 9.7" / 15" LCD Rear Customer Displays.
- Magnetic Dallas Reader.
- Ultra Slim MSR Reader.
- Magnetic Dallas & MSR Combo.
- External RFID Reader.
- Windows POSReady 7 (Std), Windows 10 IoT & Linux.
