Things to Remember —

1. The mission of the fair is to encourage better agriculture, horticulture, stock raising and all relative industries. It induces men to think and urges them to put forth better efforts for the purposes of all phases of agriculture. It is the place to demonstrate the results of years of integrity and experience.
2. That the fair is not run for profit. All money taken in at the fair will be paid out in fair expenses, fair premiums, and fair improvements.
3. That the fair is what you make it. Will you help us make it a success?
4. That the fair tends to increase the values of livestock, agricultural products and real estate in this surrounding territory.
5. That the superintendents of the different departments will be glad to furnish you with any information desired and assist you whenever possible.
6. That the fair tends to promote friendly rivalry and bring greater unity, strength and friendliness to our community. It is an annual meeting place of friends and tends to formulate more and better acquaintances.
7. That you should attend the fair, be a promoter and encourage all exhibitors and those who are trying to make the fair a success.
8. That you should study the premium list carefully and enter your exhibits under the proper departments and classes.
9. That the decision of the judges shall be final except in the case of fraud or protest.
10. That this is one of the largest strictly Agriculture Fairs in Eastern Kansas and with your help and assistance will continue to do so.
11. That all officers, fair officials and superintendents serve without pay, and your cooperation will be highly appreciated.
