DIRECTOR'S CORNER

Hi there,
We only have two more months until our Poker Run. **Our next meeting is the most important one**, so please come out and participate. We need more volunteers, more food donated and more door prizes. As a member, try to do something to help us out. We need your support and that will make our Poker Run a huge success as in the past. Once the Poker Run is over, we can have fun riding together as a club.

Thanks to everyone for all their hard work and support. See you at the next meeting. **COME AND JOIN US ALL NEW MEMBERS ALSO.**

NEXT MONTHS MEETING

It was originally planned to at the So. Central Queensbury Firestation, check things out, hold our meeting and then go to McDermotts to have our club photo taken. Things don't always go according to plan. The fire station has other obligations that morning so the meeting will be at Ar-dee's Diner on April 21st at 9:30 and meeting at 10:30. The club photo will still be taken at McDermott's, so wear your best leathers and smile!! Attendance is very important at this meeting for several reasons!! The board meeting will be that Friday, April 19th at 7:00 at McDermotts.

Tony Cafaro from Amanda's House attended the last meeting and had breakfast with us. He talked about the great success it's had, but they've run into problems with the heating system.

This and a few other things have cost them more money than they've expected, and remember, they are a non-profit organization. They survive souly on donations and the kindness of others. Our Poker Run is a blessing to them and that's all the more reason to make it a huge success!!
