ADIRONDACK HOG

#3220

MCDERMOTT'S HARLEY-DAVIDSON

Art Persons

Director

Hello ADK HOG! March is here! Hopefully this brutal cold weather is over. The Ladies of Harley "Whatever" Cook-off is coming up fast on March 14. Pick out your favorite "whatever" recipe & contact Lisa P. to enter. McDermott's HD is hosting this year's event, due to a management change at the Saratoga Brewery. This event is always fun with a good selection of foods to try & vote on.

Mike & his merry band of road captains have a really good ride schedule in the works. There are rides there for every tastes, with some new dinner locations & some old favorites mixed in. And believe it or not there will be ICE CREAM on some rides!

We had a great turnout for our Feb. meeting with 35 members braving the cold, wind & snow. Brunches are still well attended, with more on the schedule.

I keep forgetting to post birthdays in the newsletter, so I will try to catch up. We are still updating all our list, so if I missed you, HAPPY BIRTHDAY!

January: Pierre Fonda, Martha Morrissey, Linda Nestuk, Bill Novotny, Andrew Stowell

February: Kathy Calhoun, Carol Candido, Stacey Delgaudio, Kenn Fisher, John Krappmann, Harold McCleery, Nancy Novotny, Mark Stipano, Steve Taylor, William Whitbeck

March: George Barbiero, Alan Blasczyk, Roxanne Fonda, Doug Hudson

That's it for now, I hope to see you at brunch or at the Whatever Cook off. Art P.

Well...here we are nearing the end of February and man has it been COLD! We already talked last month about getting your gear ready...and I want to make a quick mention and remind folk's to check the

expiration dates on your Carbon Monoxide and Smoke Detectors (YES, they do have an expiration date).

Remembering to change the batteries is great but an expired unit won't be much help in the unfortunate event

you need it! That being said.... I decided to post up some humor to maybe help get you through a cold day!

A man is stranded on a desert island, all alone for ten years. One day, he sees a speck in the horizon. He thinks to himself, It's not a ship. The speck gets a little closer and he thinks, it's not a boat. The speck gets even closer and he thinks, It's not a raft. Then, out of the surf

comes this gorgeous woman, wearing a wet suit and scuba gear. She comes up to the guy and she says, How long has it been since you've had a cigarette? Ten years! he says. She reaches over, unzips a waterproof pocket on her left sleeve and pulls out a pack of fresh

cigarettes. He takes one, lights it, takes a long drag and says, Man, oh man! Is that good! Then she asks, How long has it been since you've had a drink of whiskey?

He replies, Ten years! She reaches over, unzips her waterproof pocket on the right, pulls out a flask and gives it

to him. He takes a long swig and says, Wow, that's fantastic! Then she starts unzipping this long zipper that runs down the front of her wet suit and she says to him, And how long has it been since you've had some REAL fun? And the man replies,

My God! Don't tell me you've got a Harley in there!

Remember: " Safety is when nothing bad happens"...and this is not accomplished by chance!

It is such a pleasure to ride with you all!

As always, Safety First!
