# Introduction

We are ANAND INFRASTRUCTURE with a country head office in Vadodara and operations across diversified sectors and geographical presence in several states, we are partners in the making of a self-reliant India. The firm is registered on 14th June 2011, under The Bombay Shop and Establishments Act, 1948, and has successfully executed several projects. We have achieved a number of milestones by executing various types of mechanical jobs like fabrication & Erection of Structural Works, Underground Cross-Country Pipeline, above ground pipeline, petroleum refinery rack, sleeper & Unit Piping, Structure Fabrication Erection & alignment of static & rotary Equipment. We specialize in Fabrication & Erection of IBR Lines and have successfully executed several jobs with minimal maintenance requirements. We undertake jobs in diverse areas and making execution of every project a quality job is our commitment. To this end, we have an in-built system of providing on job orientation to our dedicated and ambitious staff. Our team is highly motivated and committed to our value system and ethics that ranks customer satisfaction through excellent service, the highest. We are not limited to Mechanical construction but also provide services in CIVIL Construction & OFFSHORE field.

# Director Desk

## MISSION

EARNING THE TRUST OF CUSTOMER AND DELIVER SUPREME QUALITY OF SERVICE REMAINS THE CORE OF COMPANY'S POLICIES. WE STRIVE TO BE A DISTINGUISHED GLOBAL LEADER IN THE MANUFACTURING AND SUPPLY SECTOR BUILDING UPON OUR ETHICS, VALUES AND PRINCIPLES. WE BELIEVE IN ENHANCEMENT OF CUSTOMER SATISFACTION, TIMELY COMPLETION OF PROJECT, EFFECTIVE PLANNING AND MONITORING SYSTEM, EFFECTIVE HUMAN RESOURCE MANAGEMENT, CONTINUAL IMPROVEMENT IN PRODUCTIVITY OF OUR RESOURCES, REDUCTION IN WASTAGE OF MAJOR CONSTRUCTION MATERIALS.

Under the supervision and direction of **Sh. Shambhu Singh** (Founder & Managing Director), a young and dynamic leader having almost two decades of experience, we strive to establish ourselves as a leading company in executing various types of mechanical jobs and designing in fabrication & Erection of Structural Works. We aspire creating a difference using best management practices and offering pathbreaking technology domestically to create sustainable energy solutions. Our core competency has been our people and a collective focus on Skill Development reaching out to hundreds of families in rural India and empowering them with shared vision of growth and development.

# AREAS OF EXCELLENCE

Fabrication and Erection of IBR Piping

Fabrication and Erection of Structures and Piping

(as per schedule, irrespective of size and volume of work)

Shut down Jobs as per requirement of Clients.

Adherence to QAIQC & HSSE Compliance.

Mobilization of equipment's and Manpower

(as per requirements and Project schedule)

# OUR ESTEEMED CLIENTS
