Sunday, August 4**

Sponsorship Information

Your Continued Great Support for the 2024 Ride for Sight Will Guarantee Much-Needed Financial Aid for Vision Care

The **Ride for Sight** continues its legacy of vision assistance this year with its 32nd annual event and we are grateful to have the Cheyenne Eye Clinic and Surgery Center returning as our title sponsor for the 16th straight year for what has been proclaimed one of the premier charity fund-raising recreational rides in the Rocky Mountain region.

Over the past decade the **Ride for Sight** has raised a net average of more than \$10,000 per ride. Our proceeds annually support not only our own flagship project, the Early Childhood Vision Screening Program, but the Rocky Mountain Lions Eye Institute, the Rocky Mountain Lions Eye Bank, Leader Dog International, the Allen H. Stewart Camp and Summer School for the Blind and Visually Impaired held each summer in Casper, the Lions of Wyoming Foundation and the Lions Clubs International Foundation.

In addition, we provide visual examinations and glasses for local area residents in need as well as assisting the hearing impaired and supporting a variety of humanitarian projects.

To maintain the success of the **Ride for Sight** requires continued community support from businesses such as yours. We have numerous levels of sponsorship ranging from \$50-500 or more in cash and/or goods and services. Our top level packages include such benefits as complimentary entries in the Ride for Sight or our adjunct event, the Tour de Donut; mention on the official RFS T-shirt and inclusion on promotional signage and in our advertising which covers not only the entire state of Wyoming, but the Colorado Front Range and western Nebraska as well.

Our goals continue to be as ambitious as ever and here are just a few of the ways you can assist us in making this year's ride yet another great success:

Financial Donations: Our main goal, of course, is to raise funds for the various Lions programs and your cash donation would be an excellent method of assuring we attain our objectives. Donors from \$50-500 receive a variety of benefits as you can see from this sponsorship brochure.

Goods and Services: We can maximize the support of these programs by limiting our financial outlay for **Ride for Sight**-related items such as food, beverages, etc. You have the option of committing support in this area as by simply indicating your assistance on the donation form or talking with your Sunrise Lions Club representative.

The Ride for Sight is the only major event in the area of its kind on the first full weekend of August which creates maximum interest among recreational cyclists. Cyclists annually pencil in the Ride for Sight as one of the "must rides" for the year and 2024 figures to be no exception, so please plan now to be one of our sponsors and help us make an important difference to the vision-impaired of our region!

Merchandise and Gift Certificates: You can help in this area by donating merchandise items and/or gift certificates.

Discount Coupons: Yet another great way to assist the **Ride for Sight 2024** is by participating in our Discount Coupon Program. By becoming involved in this program you not only help the event, but also create additional customers for your business!

The extent of the coupon is strictly up to you, but suggestions include:

Straight Discount - (10-15 percent discount on selected items)

Buy One/Get One - Buy One/Half Off - coupons valid for two-for-one purchases on selected items or valid for half-off an equal or lesser value item)

Free Item - (coupons would be valid for a free item when purchasing selected items. For example, for restaurants, you could offer one free beverage with any dinner order).

Participation is easy. Just provide us with a good copy of your company logo and the details of the offer and we'll design the coupon for your approval. Better yet, if you have your own discount-style coupons, you can provide those.

Proudly assisting with vision care programs since 1973
