President's Corner

As your newly elected President of PEA, I am committed to working collaboratively with educators, administrators, supervisors, CSEA support staff and our community to ensure the best learning conditions for our students. It is our duty as a union to advocate for fair compensation, improved working conditions, and the necessary resources to ensure all educators in PUSD can continue to provide quality education. I invite you to stop by and see your Union Hall and access the resources available to you.

In Solidarity,
Celia Medina-Owens
