The Pittsburg Education Association and the Pittsburg Unified School District offers you the opportunity to join the Catastrophic Sick Leave Bank. It was created to assist employees who have a long term illness or disability as verified by a physician and have exhausted their accumulated sick leave. The "Bank" is comprised of sick days that have been donated by those members who join during the six-week open enrollment held at the beginning of each school year.

What is the benefit of joining the Catastrophic Sick Leave Bank?

As stated above, you may at one time have a long-term illness or disability as verified by a physician. Once you have exhausted your sick leave days then what? By joining the Catastrophic Sick Leave Bank you would be eligible to receive more sick days. The maximum cumulative number of days in which any one person may be granted from the "bank" during his/her employment with district is thirty (30) days. We have had teachers with long-term illness/disability apply and have been granted these days that have really helped them recover both medically and financially.

Then what? From these 10 sick days you will donate (1) one of your sick days to the "bank". All donations to the "bank" shall be irrevocable.

Do I have to donate yearly? No.

Membership to the "bank" will continue automatically each year without donating additional days. If the "bank" is reduced to 30 days or less then, we would inform the Membership Bank that in order to *continue* membership in the "bank", you would then be asked again to donate a day (as written in Article 7.17.7).
