

## Horticulture Chair- Job Description

9/2021

The horticulture chair is responsible for the education of club members on horticultural topics throughout the meeting year.

### Responsibilities:

- Arrange for one horticultural general meeting a year.
- Request seasonal horticultural items from club members to be discussed at meetings, eg. vegetables, annuals, perennials at the September meeting, houseplants at the January meeting, and bulbs at the March/April meetings.
- Present pertinent facts to the members on growing such horticulture in the form of a brief presentations and/or handouts at meetings.
- Provide information from CAES, UCONN, and Yale regarding Connecticut disease and insect issues, as well as the State's objectives in these areas.
