

# THE GRISWOLD HOUSE GARDEN CHAIRPERSON 9/2021 RESPONSIBILITIES

The Chairperson of the Thomas Griswold House will maintain the garden.

## Responsibilities:

1. In the spring weed, split overgrown late bloomers, rake, cut back winter growth and mulch.
2. During summer water if experiencing a drought. There is a hose off the back of the house.
3. In the fall cut back some dead growth. Can leave some for bugs and birds. Weed, rake and split overgrown spring bloomers.

# There is a garden design of the Restoration of the Griswold House Garden in 2011 when the Guilford Garden Club took over maintaining the garden. The goal is to plant only native plants that would have been a part of the garden in the 1800's.
