YEAR 9 Curriculum overview

Thomas Estley Community College

Community of courage and commitment to success

Our unique curriculum

Taking full advantage of every learning opportunity

At Thomas Estley, we understand that every child is different, with their own interests, experiences and ambitions; and that it is our responsibility as educators to ensure that every child has their own opportunity to shine.

We are proud to be recognised locally and nationally for our innovative and high-quality curriculum, with a process of ongoing review and improvement to ensure that we provide your child with the skills they need to succeed in school and beyond.

"The innovative, creative and unique curriculum is a major strength of provision that engages and motivates students.... The imaginative, creative and highly innovative curriculum instils in students a real enthusiasm for, and enjoyment of, learning."

(Ofsted, Jan 2019)

Our curriculum intent has been built across four pillars:

Achieving great progress and success for all

At Thomas Estley we believe in achieving success through great progress for all, building leadership and character together and strengthening wellbeing together. We believe that we are a community with a responsibility to work together as a team to progress these aims.

We believe that no young person should be disadvantaged through lack of money or low parental aspiration. We believe that every young person should have access to a challenging and high quality curriculum, which opens doors and embeds opportunities to consider and work towards routes into higher education and the whole range of available and appropriate career pathways. We believe that this includes opportunities to build leadership skills and to develop character at a level which is commensurate with the best state and independent schools, within an inclusive community.

We believe that every child, regardless of gender, prior attainment, individual needs and level of advantage, has the right to make good progress towards challenging targets within a knowledge-enriched curriculum which grows cultural capital and vocabulary for success, independence, resilience and the ability to retain, transfer and employ knowledge and skills across a variety of contexts.

We believe that no young person's learning should be adversely impacted by low wellbeing and self esteem - either their own or another's - and that we should work to remove and minimise barriers to wellbeing at both whole college and personalised levels.

This booklet has been created to provide you with an insight into some of the classwork that your child will be doing this year. It compliments the wide range of additional clubs, activities, projects and opportunities that are available for your child to take part in throughout the year. You can find up-to-date information on these on our school website: thomasestley.org.uk.

With warm regards

Art and Design

Subject leader: Mrs E Strudwick			
	Groups	Focus (rotational courses)	Assessment
		Weird and Wonderful	
During the academic year	Mixed ability	 Drawing skills Artist analysis Grid Method Composition development Developing understanding of GCSE Art, craft and design assessment objectives 	Interim Assessment and target setting during design development stages of each course Peer Assessment End of key stage level

CRE (Citizenship, PSHE and Religious Education)

Subject leader: Miss V Geraghty			
	Groups	Focus	Assessment
Autumn		Citizenship Drugs	One assessed task a term,
Spring	Mixed ability	PSHE Careers	focused on citizenship and/or personal, learning and thinking skills.
Summer		RE Rites of Passage	

Computing

Subject leader: Mrs G O'Garro			
	Groups	Focus	Assessment
Computing lessons equip learners with the tools and skills needed to make informed decisions in this ever-changing world. Students use computational thinking and creativity to prepare them to become digital citizens. Learners focus on one topic each half term.	Mixed ability	 Cybersecurity Programming in Python Introduction to coding through Kodu Control systems with Flowol Graphics Creating Media Animations 	End of topic assessment at the end of each unit

Design and Technology

Subject leader: Miss L Burnett			
	Groups	Focus (rotational courses)	Assessment
donondina on		Textile design GCSE Style Hat Project	Interim assessment and
	Mixed ability	Food Preparation and Nutrition Advanced food safety and preparation	feedback throughout the project. GCSE style questions though the units of work. End of unit Tests.
student is taking at what time		Resistant materials Sustainable hand-held game Core Principles	

English

Subject Leader: N	1s E Little		
	Groups	Focus	Assessment
Autumn		16th Century AD and 20th Century AD Romeo and Juliet, and Blood Brothers: Fate, Family and Feuds.	Initial reading, writing and spelling tests. Reading comprehension and analysis of texts. Creative writing Transactional writing Peer/self-assessment and reflection. Knowledge recall tests.
			Contextual understanding
Spring	Mixed Ability	Earlier 20 th Century <u>AD</u>	Reading comprehension and analysis of texts. Creative writing
		Animal Farm	Transactional writing Peer/self-assessment and reflection. Knowledge recall tests. Contextual understanding.
Summer		Later 20 th Century AD Lamb to the Slaughter/Narrative Writing GCSE Speaking and Listening Element.	Reading comprehension and analysis of texts. Creative writing Transactional writing Peer/self-assessment and reflection. Knowledge recall tests. Contextual understanding. Speaking and
			Listening. End of year reading test.

Geography

Subject leader: Mrs L Roberts			
	Groups	Focus	Assessment
Autumn		Rivers	End of Unit Assessment
Autumn		Coasts	End of Unit Assessment
Spring	Mixed ability	Development	Year 9 Exam
Spring		Climate Change	End of Unit Assessment
Summer		Summer Tourism	End of Unit Assessment
Summer		Autumn Rivers	End of Unit Assessment
Spring/Summer term will have a field study element			

History

	Groups	Focus	Assessment
Autumn		Enquiry 1 – Did violent protest get women the vote in 1919? Enquiry 2 – Was World War 1 inevitable?	Knowledge Check Written Assessment Source analysis
Spring	Mixed ability	Enquiry 1 - Why was Germany so angry about the Treaty of Versailles? Enquiry 2 - To what extent would Hitler's foreign policy aims increase tension during the 1930s?	Knowledge Check Written Assessment Source analysis
Summer		Enquiry 1 – Why was the state of Israel created? Enquiry 2 – Who was to blame for the Cold War?	Knowledge Check Written Assessment Source analysis
Students will have access to Satchel One for homework tasks			

www.thomasestley.org.uk/curriculum

Mathematics

Subject leader: Mrs R Taylor			
	Groups	Focus	Assessment
Autumn		During each term, we cover topics from each of the six areas of maths:	Autumn-term assessment
Spring	Streamed	NumberAlgebra	Mid Year Examination
Summer	— by ability	GeometryStatisticsRatio & ProportionProbability	End of Year Examinations
Pupils will have access to Dr Frost maths for homework and revision.			

- Pupils need a scientific calculator and geometric equipment for every lesson. •
- Students will also sit a personalised 'weekly skills' test each week that is matched to • their ability.

MFL (Modern Foreign Languages)

Subject leader: Ms Closier/Ms Coles			
	Groups	Focus	Assessment
Autumn		French: Where I live Neighbourhood In my street Spanish: Weather and free time 	Students will complete a mini assessment at the end of each unit, comprised of 2 or 3 skills. By the end of the summer term students will have been
Spring	Mixed ability	 French: Weekend plans Daily routine Spanish Weekend plans Typical day at school 	 assessed on all of these skills: Reading aloud Answering questions aloud French – English translation
Summer		 French: Typical day at school Day in the past, present and future Spanish: Describing a past holiday 	 English – French translation Reading comprehension Listening comprehension Writing Dictation

iorungiit.

PE (Physical Education)

Subject leader: Ms D Bancroft

	Group	Focus	Assessment
Activities taught in rotation throughout the year	Mixed ability Single Sex groups	 Team Building Volleyball Cross Country Table Tennis Netball Football Basketball Football Athletics Rugby Striking and Fielding Tennis Handball Options 	All sports are assessed during and at the end of each unit

Science

Subject leader: Mr D Ansley			
	Groups	Focus	Assessment
All topics will be taught over the academic year	Mixed ability for the first half of the year. Students will be set when they start their KS4 content	 Life - Animals Life - Genetics Metals - Reactions Movement and Work KS4 Biomimicry KS4 Cell Biology KS4 Atomic structure and the periodic table 	Cumulative assessments approximately every 6 weeks Assessment activities within topics – through exam questions, written tasks and homework

Year 9 Module Week -Money and Health Matters

Each year, we take a break from the regular academic curriculum in order to diversify our students' learning experiences beyond that which is required of us through the compulsory National Curriculum. The purpose of Modules week is to provide a co-curriculum that addresses age-important topics and complements of our leadership and character curriculum.

Module week themes

- Year 7 Community and Enterprise
- Year 8 STEM (Science, Technology, Engineering and Maths)
- Year 9 Money and Health Matters
- Year 10 Wellbeing and Resilience for Success
- Year 11 Future Pathways

Learning objectives for our year 9 module

Students will look at how money is used in real life contexts

- Calculating Income Tax and National Insurance
- Housing including calculating mortgage rates
- Budgeting for a weekly shop
- Holidays
- Obtaining credit
- Students will consider the different cultural and financial circumstances that would affect decisions about each of these topics
- Sexual health
- Avoiding substances abuse
- Keeping my body healthy

Year 9 Specialisms

Our Specialisms afternoon is an exclusive programme developed at Thomas Estley as part of our Leadership and Character curriculum. The programme, which runs throughout year 9, is designed to prepare our students develop as independent and confident learners who can apply personal learning and thinking skills (PLTS) across the curriculum and begin to prepare themselves for life beyond the school gates. All aspects of the Leadership and Character curriculum will be covered through a variety of contexts, and we allow students to indicate which of these most interest them. The courses students can choose from are;

- Arts Award
- · Computing/Programming
- · Dance
- · Enterprise Challenge
- · Theatrical Performance
- · Musical Performance
- Sports Education
- . ASDAN Projects

Home Learning

Learning takes place inside and outside of the classroom. All teachers will regularly set planned differentiated, meaningful homework for their classes in line with the school policy. Homework will provide students with opportunities to: extend, develop and practice what was learned in class; acquire the ability, confidence and organisational skills to work independently; work at their own pace and ability level; prepare for work in class.

At key stage 3, students will be provided with a knowledge organiser on a termly basis. This will reflect the key knowledge for each subject, and facilitate the opportunity for retrieval and application of this knowledge.

Home Learning will be set using the online portal Satchel One. This can be accessed via computer or portal device, and parents will be given a separate pin to access also.

The basis of all homework at key stage 3 will be practice for a retrieval quiz, based on information from the knowledge organiser. This allows students to retrieve knowledge from last lesson, last week and further to help them with their long-term memory.

Whilst some homework will be specific short-term tasks related to a topic at that time, other homework will contribute to longer term tasks such as projects or portfolios of work.

As students move in to key stage 4, individual subjects will provide knowledge organisers and revision guides to help support students' learning and knowledge retention. Key stage 4 students will also be provided with a homework timetable and work will be set using the SatchelOne platform.

Key stage 4 homework will be focused on retrieval practice for subject knowledge and practice of GCSE skills and exam requirements for each course.

Visit our website for more information on home learning: thomasestley.org.uk/homework
