About Live Well Kosciusko

We strive to transform our community into a thriving place to live, learn, work, play, and visit.

Your Donation Will Support Kosciusko County in a Variety of Ways:

Expand your impact. Increase your gift to fund additional community programs like:

- The Gallup Initiative: Improving five areas of well-being in Kosciusko
- Clock Into Potential: A career and purpose mentoring program
- Breathe Well: Tobacco and vaping cessation support
- Baby and Me: Tobacco and vaping cessation program for pregnant women
- Cancer Prevention, Early Detection, Treatment, and Survivorship
- K-County First: First responder recognition
- Indiana Healthy Communities Initiative
- Substance Misuse and Recovery
- Engage Well: Increase Employee Civic and Community Engagement
- Play Well: A voice for technical, industrial, and human service professionals in quality of placemaking (including those on shift work).
- Chronic Disease and Obesity prevention and treatment.
- Speaker's Bureau and Wellness Fair Resources

"My favorite part of the Clock Into Potential program was learning about perception and the Insights assessment. I never realized that if I changed my approach to others' personalities, we could relate to each other instead of struggling on how to connect. " - Clock Into Potential Participant
