Conduit Fittings

Large assortment of all types of conduit fitting, all sizes and types, malleable iron and aluminum, threaded and set screw

Explosion Proof Items

Extensive inventory in stock of all types of boxes and connectors, receptacles and plugs, flexible conduit, light fixtures and controls from major manufacturers.

Circuit Breakers

Ardmore Electric stocks current and obsolete circuit breakers from Schneider Electric - SQD, in all voltages, amperages and models. Other brands can be sourced if needed.

Motor Controls

Ardmore Electric has access to a huge selection of current and obsolete motor controls, starters, contactors, pushbuttons, relays, contact kits, and coils, from Schneider Electric - SQD. Other brands can be sourced if needed.

Plugs Receptacles & Switches

We stock wiring devices in all types and configurations from Pass & Seymour, Eaton, and more. Including pin and sleeve devices and wiring devices in obsolete hard-to-find designs.

Bus Plugs & Panelboard Switches

We can provide your business with present and obsolete models - new and reconditioned - including hard-to-find models.

Lugs & Terminals

Copper and aluminum, mechanical and compression types, assorted styles and applications.

Safety Switches

We stock a large inventory of disconnect switches in all voltages from 30-1200 amps, as well as double throw switches.

Fuses and Fuse Blocks

As an authorized distributor for Eaton-Bussman and Mersen, we can meet all your fuse needs.

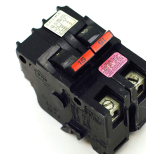

PVC Coated Items

Ardmore Electric stocks an extensive inventory of PVC Coated conduit and fittings.

Light Bulbs & Fixtures

Ardmore Electric stocks and commercial and industrial fixtures and lamps. Let the lighting experts at AES help you with your project. See separate line sheet for lighting manufacturers.

Obsolete Products

From hard-to-find circuit breakers and wiring devices, to obsolete and discontinued panel board switches and fuses - AES has the products you need?

Motors and Drives

Ardmore Electric stocks a wide selection of Electric Motors, Speed Controls, and Gear reducers.

Pole Line Hardware

MacLean Power, Hubbell, Allied Bolt and many more. Ardmore Electric can meet your pole line needs.
