## Welcome from the Chamber!

The Greater Valley Mills Chamber of Commerce would like to welcome you to our town.

**Location:** Valley Mills is located in both McLennan and Bosque County in Central Texas. That is why we are known as the “Gateway to Beautiful Bosque County.” Roughly, 25 miles away from Waco, 108 miles from Austin, 100 miles from Dallas/Fort Worth, and 210 miles from Houston.

**Culture:** Valley Mills, named for a flour mill that sat on the bank of the Bosque River in 1867 still has that small town feel. Award-winning Native Singer/Songwriter Allison Gilliam says it best in her song that visiting Valley Mills is “Like Goin’ Home”. Our town might be small but we have all the essentials to make your visit memorable. Stop by and shop at any of the local boutiques including the famous JDH Iron Designs, see the old Gristmill as seen on the Magnolia Network, visit one of the many historical sites including the Santa Fe Depot and Chisholm Trail, take a trip to the Vineyard to wind down and stay the night in one of the many Air BNB’s we have to offer.

**Climate:** Summers in Valley Mills are hot with an average of 93 days over 90 degrees. Winters are usually mild with an average 42 days below freezing temperatures. Typically, Valley Mills has around 35 inches of rainfall and 226 days of sunshine annually.

**Population:** The population of the town of Valley Mills is 1,203. However, the zip code 76689 contributes another 2,512.

*Thank you for visiting our town.  
Hope to see you again soon.*

The founder of Keith Ace Hardware, John Keith, was born in Port Arthur, Texas in 1957. He graduated from the University of Texas in Austin in 1979 and Baylor Law School in 1983. After passing the bar and deciding not to practice law, one morning he opened the paper and saw a hardware store was going to close. On December 8th, 1983, John Keith purchased that 97-year-old Lee Hardware and Furniture in McGregor, Texas from G.W. Lee. As the new owner, John made it a point to personally meet everyone that came into the store. We continue that tradition today. With John's ingenuity, hard work, and leadership, the stores grew from the one in McGregor to stores also in Hewitt, Clifton, Hubbard, Marlin, Red Oak, Brady, and Lorena.

In February 2007, John passed away from cancer. His wife Karen, then took the helm. She brought in Tom Cox and Beau Nickel, long time, and faithful employees, as part owners. Under their leadership, Keith Ace Hardware now also has locations in Salado, China Spring, Belton, Meridian, Valley Mills, Copperas Cove, Whitney, Georgetown, Troy, and Hico

We recognize that without great employees and loyal customers, the success of Keith Ace Hardware could not be realized. We strive to be the most knowledgeable in the hardware business and to provide our customers with TEXAS SIZE SERVICE. We appreciate our customers and continue to strive to serve at the highest possible level and to be YOUR local ACE Hardware Store!

Business has grown in the Valley Mills store since I have taken over, even while being the 3<sup>rd</sup> smallest Keith ACE. We try to have everything that customers may need. We currently offer many items from simple paint needs all the way to BBQ items. We even have some basic home items, such as coffee makers. With the seasons, I try to order things that go along with them. We also make donations to our local churches, schools, and just about every event that we can. Taking care of the community is something I take pride in.

As of right now we have seven employees, including myself. I have 4 full-timers (myself included) and 3 part-timers. Most everyone thinks I live at the store, but truth be told I want the store to succeed, and I LOVE my customers. Our crew is always looking to grow. We have that family atmosphere that everyone loves, including our customers.

### **Keith ACE Hardware Mission Statement**

**It is our goal to provide service to our customers that exceed the service found at any of our competitors. We are committed to listening to our customers' comments and responding to their requests. We will stand behind every piece of merchandise we sell. We will fix it, exchange it, or refund their money, without a hassle.**

**We will provide our customers a clean store that is well-stocked with quality merchandise.**

**We will be the most conscientious, courteous, knowledgeable, and well-trained salespeople in our profession. We will provide all of this at very competitive prices, and we will be the overall best value for our customers in the markets we serve.**

## Terry Curlee and Cynthia Philipp

Terry and Cynthia have been a vital part of the Valley Mills Chamber of Commerce since it began over 6 years ago. Terry holding the position as treasurer and Cynthia as secretary for that entire time. Both heading up numerous committees and are always hands-on with every Chamber event.

Terry and Cynthia have lived in Valley Mills their entire lives. Both attending school together for all 12 years here. They played softball together, coached softball together, both raised their children here (some of who are raising their families here), and have worked together for over 10 years at Jurgensen Pump (that recently moved from Valley Mills to McGregor).

Cynthia has grandchildren attending Valley Mills Schools, and she enjoys going and watching whatever events they are involved in. She attends the First Baptist Church.

Terry loves the Texas Rangers and attends Trinity Lutheran Church in Clifton.

They both like to say:

***"We never found a reason to leave Valley Mills."***
