You can pick up your literature at the Area Service Committee Meeting. Literature is no longer being delivered. Please try to give me the order a day or so before Area Service. You can text me the order form at 917-447-0912. When you fill out the order, Venmo the money to Area, take a snapshot of it and send it to me (for accountability) so I have a receipt that it's paid for. Meeting lists are on the website. The first ten meeting lists are free; if a group orders over ten, they will be 10 cents each. There are no longer Regional Meeting Lists available in print and will not be on the order forms. Our event was held on Saturday April 8th. We had a wonderful turnout. There was around 50 members in attendance. I want to thank the E&A subcommittee for their support. All the speakers and the fellowship for participating, sharing, and bringing their experience strength and hope to the event. Our hope is that we can continue putting on these types of events in the future to help our area grow learn and share with each other the NA way.

Technology Report APRIL 2023

The technology committee meets the 4th Tuesday of the month 6:00PM virtually

Our monthly meeting had 2 people in attendance including myself.

Technology committee will be working on several projects in next few months.

- UPDATING policy- Our current policy is outdated.
- Presenting area with digital forms for motion making and group reports. (will requires area approval)

If you have experience with the virtual platform, websites, technology, adobe, digital arts and would like to be of service, please come to our sub-committee meeting.

We asked the minimum clean time to hold passwords and documents be 1 year.

The policy committee purchased a printer. We will use the revolving fund to make 3 payments of \$200.00. There is a 4 year protection on the printer.

We will be purchasing toner as needed. The inkjet cost was about \$300.00 per year in ink. The cost will be about the same.

We will print all meeting lists and documents as per area policy.

We can create event flyers upon request. We will print 1 color copy for a group and 20 black and white at no cost. We would like to be prudent with toner costs. We will also print on request Sub committee flyers @ 28 color (1 per group) and up to 75 BW. All flyers pdf and JPEG will be on website.

We will renew the current website at \$263.00 for the year and transition to WordPress for 5 years. I attended Steering to help assist in this transition.

WordPress will keep us connected to the BMLT, it is easy to use and cost-effective.

We will continue editing the tri fold printable list. The list will be updated and added to the website the day after the Area service meeting. It will be dated to assist groups with having the most updated meeting info.

We only service the calendar and meeting list. If you have any anniversaries or announcements for the minutes they must be added at area. We are not authorized to make changes. Please contact the secretary at SIANASECRETARY@Gmail.com

We ask that all changes please be sent to SIANAwebsite@gmail.com ASAP

Please include DAY OF THE WEEK , TIME , MEETING NAME , LOCATION, FORMAT and any other information your group would like us to add.

You can also message us directly from the website. Please update your meetings with NA.org as well.

We ask that you have patience with the printable meeting list updates. We will try to accommodate the best we can.

Our website has a meeting tab located at the top of the page. The drop down menu includes up to the minute updates.

And also ties in to our Staten Island Tabbed search through the GNYRNA. These lists can be updated within minutes of notification. We urge you to check the website www.NA-SI.org if you question any info on the printable meeting list.

If you would like a copy of the slides from the GSR learning day please email the website.
