Technology Report November / December 2022

The technology committee meets the 4th Tuesday of the month 6:00PM virtually

During our monthly meeting we discussed the future of our website.

We discussed the need to update committee policy.

We would like to create an easier format for groups to submit reports.

Once we implement any new process we will workshop it to the fellowship.

We are currently seeing a virtual liaison. This person would set up the hybrid area and steering meetings.

If you have experience with the virtual platform, websites, technology, adobe, digital arts and would like to be of service, please come to our sub-committee meeting.

If you do not have experience and would like to learn PLEASE COME TO THE MEETING!

We will continue editing the tri fold printable list. The list will be updated and added to the website the day after the Area service meeting. It will be dated to assist groups with having the most updated meeting info.

We only service the calendar and meeting list.

We ask that all changes please be sent to SIANAwebsite@gmail.com ASAP

Please include DAY OF THE WEEK, TIME, MEETING NAME, LOCATION, FORMAT and any other information your group would like us to add.

You can also message us directly from the website. Please update your meetings with NA.org as well.

We ask that you have patience with the printable meeting list updates. We will try to accommodate the best we can.

Our website has a meeting tab located at the top of the page. The drop down menu includes up to the minute updates.

And also ties in to our Staten Island Tabbed search through the GNYRNA. These lists can be updated within minutes of notification. We urge you to check the website www.NA-SI.org if you question any info on the printable meeting list.

If you need any assistance with technology for your group please let us know.

In loving service

Technology Committee

Greetngs RSC Members. 11/12/22

The SPAD Book

The RSO continues to do well especially since the "Spiritual Principal A Day" release. We cannot seem to keep them on the shelves. The Areas are ordering them by the caseloads. This is good for the office and the fellowship.

New Price List, NAWS Price Increase

We are prepared and ready for the beginning of the year with the price change on books and medallions as directed by NAWS. We will be including in all AREA orders a reminder, a copy of the NAWS updated price increase notice and updated order. It is important that all Areas copy or update their order forms and consider ordering books NOW to save money. One of the GNYR Areas has subcommittee a large order and saved \$459.00 by not waiting for the price increase at the first of the year.

Convention Committee Status

Since the last RSC meeting, , the convention chairperson has stepped down aWer finding out that we will not have a 2023 convention. The Board of directors of the GNYRSO voted to retain the convention committee for the anticipated future convention (2025). Kelly A, vice chair was acting chair until at our last BOD meeting where she was elected Chair of the convtin\$on committee. Congratulations Kelly. The Hospitality chair has also stepped down (Gerri W). This leaves several chair positions open, which include Vice-Chair, HIPIC, Secretary, Hospitality and Fundraising. Please mention these Convention service opportunities to your Areas. Note that the Fundraising chair must be filled by an RSO director. It is our plan that the convention committee

will raise funds and provide events for the fellowship in support of the convention. In addition to events, The Committee is also looking forward to a promotional T-Shirt in the near future.

Exploratory committee

We have narrowed our search to 2 venues so far for the 2025 convention. We have found that several venues do not offer event space after the pandemic. We will keep you updated as we move forward in our search.

Outreach

We are finishing up the Areas presentations. We have 5 areas still to visit. They are: Eastern Long Island, South Jamaica, Lower Hudson, Staten Island and Westchester.

If you haven't visited the RSO since the pandemic, we urge you to join the members who have found the post-pandemic RSO to be a welcoming part of our region.

Today we will have electon to the RSOBOD at the members mee\$ng, those nominees are. Paul W, Alonzo L, Lea H, & Rob A.
