**COVER SHOT:** In their classic '65 red convertible, Randy and Debbie Weber lead the LOCC group in the annual Dogwood Parade the morning of April 22. In a first for LOCC, Torch Red was not the color of the day, and the group lined up alternating white and black after the lead car. Pictured behind the Webers in the white and black brigade were the cars of Funk, Ehlmann, Myers, Horsman and Long.

# *President Funk's Monthly Report*

Greetings LOCC Members!

Spring is here! As spring ushers in our busy Corvette season, we started with a couple events and our monthly meeting in April. LOCC continued the 2023 trend of excellent club participation at our monthly meetings. The April meeting was held at H Toads Camden on The Lake with 91 members in attendance. The club also had six Corvettes participate in the annual Camdenton Dogwood Parade on April 22, 2023. Of course, the Corvettes in Paradise was a huge event in April and is discussed in more depth below.

We have received great news regarding our 2023 Hot Summer Nights parking. A huge thanks to LOCC member Randy Gross and Mike Page from Bagnell Dam Association for their involvement in our club securing parking at Two-Bit Town again this year. The first Hot Summer nights event is Friday, May 12. We will meet at Two-Bit town late afternoon. Please follow the monthly newsletter, LOCC official Face Book page and website for current information and activities. Please send your day or weekend trip thoughts/plans to me at out-law496s@gmail.com so we can execute as many as we can.

Please continue to share club opportunities when you meet new Corvette enthusiasts at or near the Lake of the Ozarks. We always encourage and welcome new members. We have club business cards available at request.

I would like to provide a basic snapshot of our 2023 Corvettes in Paradise show. Additional information, details and photos will validate our success in the upcoming special edition show newsletter. First, I would like to mention how lucky we are to have an LOCC board member who spends his personal time coordinating, ordering multiple show items and making sure all T's are crossed and I's are dotted. An asset to this club doesn't scratch the surface of the recognition this man deserves. THANK YOU, Marlin Hammond!

The success of the April 28-29 Corvettes in Paradise show was absolutely remarkable! I couldn't be more pleased and prouder of our club as we worked together as a team to accomplish this goal. We had 75 plus club volunteers in our blaze orange shirts assisting all show participants and guests in a positive and friendly manner. It was great to hear participants comment on how nice it was to have such a friendly, helpful group ready and willing to assist them in any way. Our team effort proved to be 100% effective! The Friday evening Meet and Greet sponsored by LO PROFILE was a great success. All show participants and club volunteers enjoyed a wonderful pasta station buffet with Caesar salad, bread sticks and live entertainment by "Sax on the Beach" as they perused around Dave and Mary Chapman's extremely well-organized silent auction. The auction netted \$ 7,045 in a 2-hour period! Our Friday night opener was a huge hit, maintaining a large crowd throughout the 5-7pm event.

# *President Funk's Monthly Report Continued*

Saturday morning brought great weather to start the show. The parking crew strategically parked participant Corvettes indoors in Windgate Hall, adjacent to a large group of relevant vendors. With the favorable weather this year, we also had an outdoor show parking area once again, close to Windgate Hall. New to this year's event was identified parking for LOCC members to display their Corvettes as well.

The opening ceremony promptly began at 10am with the National Anthem and a very impressive military tribute to our service men and women. Hundreds of Corvette enthusiasts and guests enjoyed the beautiful display throughout the day. Following completion of judging, at 3 pm the awards ceremony was held directly on the showroom floor. This was a major change, allowing us to display and present all awards to participants on the showroom floor. Steve and Brenda Myers also had a new contribution to the show, as each trophy winner was called forward to receive their award, a picture of their car was shown on a large monitor for all to see the winning car. We have received a lot of feedback on this new feature, it was a hit! The show concluded with several LOCC members waving and cheering as participants paraded out of Windgate Hall.

I can't stress enough my sincere thanks and appreciation to everyone who assisted with this show from the beginning in August 2022 to the end of the day on April 29, 2023. Our club raised the bar in 2023!

Our May 21<sup>st</sup> meeting will be held at Hulett Chevrolet in Camdenton. Hulett Chevrolet owners will clear the front parking rows on the lot for club members to park their Corvettes. The showroom floor will be cleared for our lunch and meeting. LOCC will be providing a catered BBQ lunch as appreciation to our members. Please bring your drinks and lawn chairs if you wish to relax and view all the gorgeous Corvettes parked on the front row of our Lake of the Ozarks Chevrolet dealer. Guest speakers will be Hulett Chevrolet owners and Camdenton Mayor John McNabb. We hope to see you at the May 21<sup>st</sup> meeting at Hulett Chevrolet in Camdenton.

Finally, I want to wish all our Mothers and Grandmothers a very Happy Mother's Day this month. I hope your weekend is spent just the way you want!

Thanks for your continued support and club participation!

Mike

# LOCC at H. Toad's April 16, 2023

LOCC held its monthly meeting at H. Toad's, Camden on the Lake's lake side restaurant. Another full house, 91 LOCC members were present in 35 club cars. A lot of information was shared at the meeting as members were updated on the upcoming show as well as summer Corvette activities. H. Toad's continues to support LOCC and Corvettes in Paradise with two, \$100 gift cards donated this year for the silent auction.

Dave Chapman (above left) explains the new Silent Auction at the Meet & Greet at the Corvettes in Paradise Show. Marlin Hammond (middle) gives the Treasurer's Report and Mike Funk (right) discusses upcoming Corvette upcoming events. More pictures from the day are continued on the next page.

# April Meeting Continued

Below are a few of the random shots outside of H. Toads, including Ed an Kathy Champion's new 2023 Z06 (top right). Whichever businesses LOCC graces, we definitely add some spark to the parking lot!

The annual Dogwood Parade in Camdenton was held April 22 and while only six LOCC Corvettes rolled through the streets, it did not lessen the crowd's appreciation of our cars. Some people seem to think throwing candy is the only attraction in a parade, however after hearing the kids repeatedly yelling, "I LOVE THAT CAR!" as they excitedly pointed to their favorite cars, or the number of thumbs up received; Heck, one guy even shouted, "You guys are way cooler than the Pontiac Club!", this author can affirm that candy is NOT the only attraction that makes a parade fun. As our group paraded down the main street in front of the reviewing stand, the announcer read our brief, LOCC information as provided: Started in 2010 by a group of Corvette enthusiasts, LOCC supports local students with annual scholarships and with their annual Corvette show at Margaritaville on April 29th, all profits are donated to local charities. The announcer then spoke about LOCC's large support for our community. What an honor to be a part of a Club that supports our Lake Area Communities! Thank you to those that braved another cold parade!

Following the parade, the group met at Lake Valley Golf Club for lunch and some laughs. Pictured (front, left to right) Steve Myers, Debbie Weber, Brenda Myers and Diane Long. (back) Randy Weber, Mike & Sandy Funk, Kim & Jerry Ehlmann and Rong Long. Missing was Rick Horsman and Dianne.

## Museum in Motion

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky – the Museum is proud to have members from across the country and even internationally. To bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded "Museum in Motion", the program features tours around the United States as well as Canada, England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places – including many V.I.P. and behind the scenes opportunities that only the Museum can get you.
