President Funk's Monthly Report

Greetings LOCC Members!

On Sept 29, LOCC participated in the cruise in event at the Osage Beach Rehabilitation Center. Fred Catcott coordinated the event and invited LOCC to participate with other car clubs. Beautiful weather was enjoyed by facility residents, staff and several car enthusiasts. The facility provided burgers, hot dogs and all the fixings for all. LOCC showed up with 11 Corvettes out of the 39 participants. Great fun event!

LOCC started the month of October by heading to Eureka Springs Arkansas on October 5 for their 32nd annual Corvette weekend. The weekend was full of fun filled activities with club group dinners at Jamie's Place, the Friday road tour coordinated by road tour warriors Rudy Willingham and Kathy Needham, Eureka Springs Historic Train ride/dinner, the annual car show and finishing up with a succulent cookout at the hotel coordinated by Rudy and Kathy. The club enjoyed beautiful weather and great club camaraderie the entire weekend.

Our monthly meeting was held at Willows Bar & Grill on October 15 with another well attended meeting with 69 members and 19 Corvettes. Willows is a 3 year supporting sponsor of our annual Corvettes in Paradise show. We certainly encourage supporting those who support us!

On October 19th LOCC participated in the club Trunk or Treat event at the Arrowhead Senior Center in Osage Beach coordinated by club secretary Sherry Lantz. The residents enjoyed beautiful weather and great treats while they admired 9 LOCC Corvettes. Very enjoyable event! A special thanks to LOCC members Gary and Lana Elwick for presenting the facility administrator with a beautiful fall floral arrangement for all the resident to enjoy throughout the fall season.

LOCC members cruised into The Tavern Smokehouse in Camdenton for the filming of Americas Best Restaurants. Manager Shane Starkey arranged front row parking for 11 LOCC Corvettes. Members enjoyed lunch while visiting with friends, business owners, management and film crew. Several photos were taken by the crew as customers enjoyed viewing our cars.

Please follow the monthly newsletter, The Official LOCC Face Book page and LOCC website for current information and activities. If you have any ideas for day or weekend trips you would like to lead, send your plans to me at outlaw496s@gmail.com so we can execute as many as we can.

Please continue to share club opportunities when you meet new Corvette enthusiasts at or near the Lake of the Ozarks. We always encourage and welcome new members. We have club business cards available at request.

We hope to see you at the November 12th meeting at The Lake Valley Golf Club where the 2024 LOCC Board will be introduced.

Thanks for your continued support and club participation!

Mike

New Business:

2024 LOCC Board Status (Mike Funk)

Vice President Dave Chapman has asked me to share his recent decision to not pursue the position of LOCC President for the 2024 term. This is a personal decision Dave has made and I would encourage all to support and respect his decision during these times. Based on various recent setbacks, Dave does not believe this is the right time for him to proceed in the 2024 President position. Dave made this decision with concern for both himself and the operation of our club. We will welcome Dave and Mary to participate in all club activities when the time is right for them. The 2024 LOCC Board will be recognized and introduced at our November 12 meeting.

CRUISE IN AT OSAGE BEACH REHABILITATION AND HEALTH CARE

LOCC members participated in the annual Cruise In hosted by the Osage Beach Rehabilitation and Health Care on September 29. In total, 11 LOCC Corvettes and 28 other hot rods from the area showed up to provide a morning of entertainment for the residents at the center. Cruise in participants and residents were treated to a cookout of burgers and hot dogs by the center as everyone enjoyed the beautiful weather. Special thanks to Fred Catcott for his coordination of the event. It is always a pleasure to share our enthusiasm for the Corvette with those who are otherwise unable to get out and see them out in the "wild".

2023 EUREKA SPRINGS CORVETTE WEEKEND

As summer slowly makes its exit and autumn begins to quietly slip into its place, Eureka Springs comes alive as thousands of Corvettes descend upon the artsy, historical town of approximately 2,100 people. LOCC was among the Corvette clubs present with 29 Corvettes and one SUV staying in the tiny village nestled within the Ozark Mountains. Those who chose to caravan, travelled down in two groups on Thursday morning, arriving in the early afternoon.

Coordinated by Mike Funk, Thursday evening 46 LOCC members "Corvetted" to Jamie's Place in Berryville to eat as a group in the newly opened restaurant. A busy place, Jamie's did a great job with handling the large LOCC group while maintaining their regular diners on a Thursday evening. The food was so good, several members returned for breakfast on subsequent mornings. Back at The Lodge, Rudy Willingham and Kathy hosted the first of three evening "Socializing Events".

Friday morning, Rudy and Kathy greeted members with a "Mimosa Party" under the canopy at The Lodge. Members were free to explore Eureka Springs that morning before the planned Town & Country Road Trip lead by Rudy and Kathy. The road trip made its first stop at the Switchback Bar and Grill where the bar was "tagged" with LOCC stickers and the new LOCC novelty license plate before the colorful caravan made its way to banks of the White River at the Beaver RV Park & Camp grounds. Always a beautiful photo op for the Corvettes, LOCC gained two new members at the location as a white C8 jumped in our caravan along the way after they saw our cars traveling together. Stefanie Wiskur and Pepper Guthrie from Buffalo joined LOCC and were welcomed into the group on the spot by President Funk before the group finished their scenic drive.

Friday evening, all attending LOCC members were invited to experience the Eureka Springs Historical Railway to dine and enjoy a 2 mile ride into the hills around Eureka Springs. Coordinated by Sandy Funk, 32 members participated in the group event with meals including soup, salad, rolls and choice of entrée as well as dessert with coffee, the experience was new for several people and worth the trip. Afterward, everyone returned to The Lodge for additional Socializing and a cornhole tournament. The evening winners would move on to the tournament finals on Saturday evening.

Saturday morning, Ellen hosted a Bailey's and coffee party before everyone departed on their ways to breakfast and to the Corvette show. Amongst the hundreds of beautiful Corvettes, Brenda and Steve Myers showed off their gleaming, C7 Grand Sport as did Adam Spanos, son of members Pete and Melody Spanos showing his 2017 Collector's Edition GS. Both cars looked amazing, and with the numbers LOCC is now bringing to Eureka Springs, one could argue that LOCC could make a difference in votes if everyone entered the show and had a vote. Never the less, the weather could not have been less amazing for a fall Corvette show!

Late Saturday afternoon, LOCC members began filing back to The Lodge in anticipation of the Corvette parade and the evening festivities. With grill masters, Steve Myers and Ed Carr preparing burgers and hot dogs, the food line with brisket and other BBQ staples, Rudy and Kathy's coordination of the Saturday evening cookout was a huge success! LOCC members even had a birthday to celebrate as Lourdes Tostenrud was presented a custom cake decorated with a yellow C6 convertible. Mike Funk also presented Sonny and Pooja with a gift basket full of local LOTO products for assisting LOCC with picking up the new tables used for our cookout.

Soon afterward, LOCC lined up for the Corvette parade which never disappoints. LOCC showed much enthusiasm for all the show winners as they passed by The Lodge. A few familiar cars and faces were amongst the parade participants, giving LOCC even more reason to loudly cheer them on.

An evening of "Socializing" commenced following the parade, full of Rudy-isms, toasts, shots and the cornhole tournament championship. With the Friday night winners battling for bragging rights and a novelty bag of prizes, the team of Paul Jensen and Melody Spanos came out on top. Eventually, the crowd thinned out as socializers headed to their rooms while a few party-goers continued on into the night.

As Sunday morning arrived, Corvette cold-starts could be heard sporadically as members packed their belongings neatly into their rides in preparation to return home. With a few changes to this year's agenda and coordination of events, in all, it was another successful trip to Eureka Springs! You can check out more photos on the next page.

Mike and Jerry hang the new banner on The Lodge balcony on Thursday as the group stands on the balcony on Saturday evening (right).

October 2023 Meeting at Willowes

Sixty-nine members attended the October Sunday event with 19 Corvettes present outside of Willowes. Following the meeting, Rudy and Kathy lead members on a quick road trip, ending up at Leprechaun's Corner in Camdenton for less business and more socializing. Thank you to Melody Spanos for pictures from the day!

LOCC members showed their support for one of the Corvettes in Paradise Sponsors by showing up during a taping of America's Best Restaurants at The Tavern Smokehouse. Announced on The Tavern's FaceBook page, LOCC showed up with 11 Corvettes outside the smokehouse. Members were able to share a great meal while seeing some of the behind the scenes moments being filmed for the show. To see the episode, The Tavern Smokehouse will post the link on FaceBook to the YouTube edition when it goes live. In the mean time, it was an excuse for a great lunch on a perfect day to get the Corvettes out!
