EXPERIENCE

New Jersey Courts, Middlesex Vicinage - Family Division, New Brunswick, NJ

Judicial Law Clerk to the Honorable Glenn C. Slavin, J.S.C.

August 2022 to Present

Assist Family Part trial judges that preside over cases arising out of family actions and family-type actions involving parentage, child custody and support, parenting time, juvenile delinquency, marital dissolution, child welfare and domestic violence. Review motions, perform legal research, process emergent applications, prepare memorandums, make recommendations to judges regarding dispositions of motions, both verbally and via written bench memoranda; draft, edit and proofread legal correspondence; and attend and assist with case conferences, consent conferences, motion hearings and trials. Facilitate communications between the Judge's Chambers, attorneys, and self-represented litigants. Support Family Part Judges with all fact-finding responsibilities. Negotiated settlement conferences for litigants in Landlord Tenant and Special Civil Part dockets.

New Jersey Courts, Monmouth Vicinage - Family Division, Freehold, NJ

Self-Represented Litigant (Pro-Se Litigant)

August 2019 to May 2022

Successfully acted as a self-represented litigant during proceedings for child custody, support and parenting time under a non-dissolution docket. This includes performing legal research; drafting, editing, and proofreading legal correspondences; drafting, submitting, and answering motions, cross motions and replies; calculating child support, negotiating, and enforcing consent orders; attending consent conferences, participating in mediation, and appearing for oral arguments.

Deloitte Touche Tohmatsu Limited (Deloitte), Princeton, NJ

Sr. Consultant

June 2021 to August 2022

Worked in the Supply Chain & Network Operations Department. Assisted clients with solving their most complex and strategic operational challenges. Assist the Legal Department with drafting, reviewing, and revising various contracts with external vendors, suppliers, and contractors as well as enforce contract terms and conditions. Advise clients on their Supply Chain and Operations strategy and work with them to implement next generation solutions. Support Digital Supply Networks, Sourcing, Procurement, and Product Development. Set engagement objectives and scope, develop work plans, and coordinate activities across and between multiple project work-streams.

Cognizant Technology Solutions Corporation (Cognizant), Teaneck, NJ

Manager

June 2020 to June 2021

Worked in the Procure-to-Pay and Supply Chain Management Organization. Assisted the Legal Department with

drafting, reviewing, and revising various contracts with external vendors, suppliers, and contractors as well as and enforce contract terms and conditions. Successfully manage and lead various global Procure-to-Pay (P2P) and Supply Chain Management projects. Support various Global Business Services initiatives including global sourcing, procurement, process improvement, risk management, financial reporting, and spend analysis. Develop and maintain a comprehensive understanding of the business processes used by P2P and Source-to-Pay (S2P) applications.

Kiely Family of Companies, Tinton Falls, NJ

Head of Procurement & Purchasing

January 2017 to June 2020

Led the Purchasing and Procurement Department. Assisted the Legal Department with drafting, reviewing, and revising various contracts with external vendors, suppliers, and contractors. Developed and directed corporate level strategic initiatives by overseeing all procurement activities and implementing policies to ensure the organization maintained efficient and cost-effective sourcing, purchase, payment, and supply chain methodologies for \$100M+ of annual spend. Managed and supported the entire P2P process from initial requisition to final invoice payment by training end users and integrating the ERP and P2P systems. Developed and directed supplier management activities. Supported stakeholders from all departments including Human Resources, Marketing, and Information Technology.

Public Service Electric & Gas (PSEG), Newark, NJ

Performance Measurement Lead

June 2016 to January 2017

Worked in the Business Performance & Improvement Group within the Benchmarking Department. Supported the governance of the PSE&G Gas & Electric Peer Panel and other studies as well as benchmarking analytics and processes. Spearheaded the Transmission and Distribution benchmarking quality review process and documentation efforts. Completed weekly, monthly, and quarterly reporting requirements by gathering, integrating, and analyzing data to identify metrics, drivers, correlations, and performance gaps.

Consolidated Edison Company of NY, Inc. (Con Edison), New York, NY

Project Manager/Business Lead

August 2015 to June 2016

Worked in the Advanced Metering Infrastructure (AMI) Department. Served as the Business Lead for critical AMI projects, estimated at a total of \$1.2B+. Worked with respective project leads to ensure that projects were implemented per design, schedule, technical specifications, and budget. Assisted AMI Project Directors with ensuring that projects were implemented in accordance with the Public Service Commission agreements. Responsible for project budget preparation and compliance, vendor selection, drafting technical reports, and conducting in-depth presentations to all levels of management and executives.

Project Manager / Sr. Specialist

March 2013 to August 2015

Led the Project Management & Procurement Group supporting the Staten Island Electric Construction & Operations (SIECO) organization. Responsible for managing the entire project life cycle (planned, executed, controlled, and closed) for all major distribution, transmission, and substation construction projects within S.I. Electric Operations. Developed and implemented project controls to manage project scope, schedule, cost, and authorizations. Orchestrated and managed the efforts of all staff responsible for the various Procurement functions supporting S.I. Electric Operations, including contract compliance and administration, and working with suppliers.

Ops Supervisor and Procurement Analyst

December 2008 to March 2013

Worked in the Steam Distribution Planning Group and Business Finance Department supporting Staten Island Electric Construction Operations (SIECO). Served as the department's deposition liaison, including working closely with the Legal Department to ensure adherence to discovery, records searches, and production, and participating in depositions for all associated litigation. Managed all clerical aspects of operations support and planning activities. Managed a clerical staff of six employees responsible for various administrative and logistical tasks. Served as the contract administrator supporting SIECO by providing cost oversight and contract compliance including generating requisitions and purchase orders, working with suppliers, drafting, and submitting modifications to existing contracts, verifying invoices, and tracking expenditures. Reviewed, revised, and provided education on the Corporate Damage Claims procedure as a member of the Corporate Taskforce.
