General Information

The Bridge Ministry operates on Christian principles and procedures. Our guidelines are meant to ensure and maintain high standards and a Christian atmosphere for those coming from backgrounds of substance abuse and other life-controlling problems. If a student is able to comply with these program procedures, there is little reason why he should not successfully complete the program. All rules, regulations, policies, and procedures are subject to change at the discretion of the Executive Director. Students will be informed of any changes as they occur. Refusal or failure to comply with these guidelines and standards will result in disciplinary measures or dismissal from The Bridge Ministry.

Applicants need to understand that The Bridge Ministry is a program only for those with a serious interest and commitment to change. Privileges and responsibilities—including passes and visits—will be granted based on success in the program. Here are a few of our regulations.

- No possession of alcohol, cigarettes, or drugs of any kind. Drug testing may be done at any time.
- No physical or verbal abuse, including horseplay, arguing, name calling, and cursing.
- No flirting or holding long conversations with members of the opposite sex.
- Staff may inspect student rooms at any time and without notice. Rooms are to be kept neat and clean at all times.
- Contact with those outside the ministry is limited to three immediate family members on an approved list. Students may not receive incoming personal calls.
- Chores, duties, and work assignments are to be performed daily or as staff requires.
- Students must obtain permission to go anywhere on The Bridge Ministry premises.
- Students must be on time for all activities: meals, classes, work duties, etc.
- Personal hygiene (shower, brushing teeth, etc.) is required daily. Hair must not exceed top of collar. Mustaches may not extend below the upper lip. No beards are permitted.
- If a student leaves the premises without authorization from the Executive Director, he will be dismissed from The Bridge Ministry program.
- Students may be asked to help generate income for The Bridge Ministry through unpaid labor. They will also be required to participate in normal day-to-day chores that are necessary for the operation and upkeep of the Buckingham facility.
- If upon entry to the program a student is on heroin or alcohol, the student will have to quit without benefit of medication. If hospitalization is necessary, The Bridge Ministry will arrange for and/or provide transportation.
- Our rules, regulations, policies, and guidelines are more completely explained in our Student Handbook, which every student is required to read and understand prior to admission. The Student Handbook will also help give the potential student an idea of our daily schedule and what to expect when they arrive.
