Wildewood Update & Meeting Notice

Hello Wildewood and Greetings from the 2021-2022 Board of Directors!

Wow, it's been a rough two weeks in Wildewood since the storm. For many people things are slowly starting to return to normal, for others there is still major disruption in their lives, so please keep those people in your thoughts and prayers.

On the good news front, we have several items to help brighten your day.

Cleanup Day!

Wildewood Great American Cleanup – **April 30 10:00 AM – 2:00 PM at the Community Center**

Please remember the cleanup day April 30. If you have materials from storm damage, you may bring them to the dumpsters at the Community Center. Please contact us to discuss if you have a really large amount of materials, we do want to ensure that this can benefit as many households as possible.

You can contact the board to volunteer to help, or to discuss your materials by calling or texting **903-202-0964** or email **wildewoodboard@gmail.com**.

The cleanup event is open to ALL WILDEWOOD RESIDENTS. Proof of residency in the form of a driver's license or electric or water bill with a Wildewood address will be required. If you received this email and do not live at your Wildewood property, please share this information with the residents who live in Wildewood, they are welcome to bring items.

This cleanup is intended to help Wildewood residents properly dispose of items too large or not appropriate for normal household trash pickup. Please continue to dispose of your household trash with your normal trash contractor and **do not** bring it to the event.

We are working hard to arrange to take as many items as possible. **If you have large appliances, such as a washer or dryer or other metal items that you would like removed, please contact Jeff Dudley at**

903-515-9235 as he may be able to pick them up directly from you, so they don't have to be moved to the community center.

If you have tires from cars or pickup trucks (NOT large equipment tires) that need to be disposed of, they can go to the recycle center in Tyler for a charge of \$5.00. **No tires in dumpster! First tire per family no charge, additional tires \$5.00.**

Items such as batteries and wet cans of paint cannot be accepted. If you have latex paints, you can dry the paint by leaving the can open if there is a small amount or by mixing equal amounts of kitty litter into the paint and allowing it to dry. Dry paint cans will be accepted.

If you are not able to clean up items on your property yourself and would like to ask for assistance from volunteers, or you are able to help those who need assistance, please contact us. Volunteers needed! Please help with cleanup if you can!

For more information, or to let us know what you would like to dispose of, please call or text (903)202-0964 or email wildewoodboard@gmail.com

Board of Directors Election – Last chance to put your name in the hat!

The Annual meeting will be held the first Saturday in June (June 4 at 11 AM). At that time there will be three positions on the Board to be elected. Please contact Theresa Carter by April 30 if you are interested.

New Sign!

Last but certainly not least, the new sign at the entrance has been installed. Thank you for your patience! The flagpole was damaged in the storm and has been repaired as well, so everything is looking great at the entrance.

2021-2022 Board Members

Guy Sanders – President

Ray Hensley – Vice President

Teri Dickinson – Secretary/Treasurer

Jamie Piersol – Community Center

Ralph Hoff
