

Activities

Kenya moved fast to shut down all their schools and training centres with the first victim, a lady who came home to Kenya from London where she worked. Twelve staff stay day and night until the lockdown is lifted. Three hand washing stations are in place.

During the "lockdown" from the Corona Virus, the children have been involved in prayer & devotions twice a day.

Three Grade 12 graduates teach the younger children in the morning. There's planting, watering, weeding in the garden plus time to play until suppertime, then under mosquito nets for sleep by 8PM.

Kenya plans to resume schools on June 4, 2020.

***** **

The manager asked for 4 months food mid March so we sent \$5,000 some of which came out of college student's accounts (and will have to be replaced.)

Funds for May 2020 are now due. We need to add \$2,250 because two year old bedding, slept on every night and washed once on Saturdays is worn out. To replace 30 mattresses (some are in pieces), 45 sets of sheets, 40 blankets, and 45 jackets we need your help.

Perhaps you would consider paying for a set of new sheets or a jacket for \$10, a mattress for \$30 or a blanket for \$13. The used clothing markets have been stopped so we have to buy new.

Four ways to pay:

Credit card: call 778-344-4642 or 778-241-5880

Cheque to MCCH 11-2023 Winfield Dr. Abbotsford BC V3G 1K5

-OR **Go to Canada Helps** on the web and choose _Mercy and Caring Children's Homes -they take 3% and receipt immediately

You can pray with us every night.

Pastor Ed Hickey is leading a one hour prayer group on Facebook from 5 to 6 PM PST each night from his home. If you want to join the prayer group, go to Ed Hickey's facebook page and ask to join.

You will see what a humble man Ed is. He welcomes each one as they join, prays for the requests and encourages people to send scripture passages which he reads between the prayers. It is a joy to pray together. We see him but he can't see us.

Pastor Ed Hickey and his wife Cheryl live in London Ontario, and Cheryl's job at Michaels store means filling orders and taking them out to cars. Pray for strength for her. She is hoping to take on more of MCCH's administrative duties once her job slows down. They had planned to be at Mercy and Caring Children's Homes with a large team in August but that has had to be postponed possibly to August, 2021

Many of you already are monthly givers to MCCH and you are "lending to God"

by taking care of the needy. We praise God for each of you.

With our love and prayers,
Edwin and Nancy

Please let us know how you are doing.

Please use our personal email as I check that most often.
