HELLO SKIERS AND SNOWBOARDERS

The snow has arrived! Over one hundred inches of snow fall so far in January to give us a nice 79 in base!

With all the new snow the meetups are starting to happen at a regular pace. Thanks to all the meetup leaders who take their time to lead a group on the mountain. And thanks to Claudia Hansen for her meetup leader training at the Broken Top Bottle Shop!

On the mountain and need a quick warmup? Swing by the lower level of the Pine Marten Lodge around 11:30 for an unofficial gathering of Bend Ski Club members. It might not happen every day, but it often does, especially if there is a meetup scheduled.

If you made it to the January speaker series event you know what a great presentation we had from Glenn Voelz on the history of Mount Bachelor. **On February 13, Travis Weaver, owner of Fortitude Fitness Training, will present workouts to improve your ski season.** In addition to slides, Travis will have some interactive demos on fitness and injury prevention. We are happy to be back at the downtown location of Deschutes Brewing on Bond for all our speaker events. Members arrive at 5:30 and the talk is at 6:30.

Be sure to join us every fourth Tuesday of the month at 4:30 for an Apres Ski at the Broken Top Bottle Shop. These are great opportunities to catch up with your BSC buddies while enjoying a beverage from the extensive selection at BTBS. The next two Apres Ski events are scheduled for January 23rd and February 27th.

See you on the mountain!
