

Alternate Shot Play

Score cards will be made up by the pro shop. Each foursome will have a Team captain who will be the first person on the team (highlighted in yellow). The third person on each team will keep the second card (highlighted in blue). Captains will pick up cards and instructions on the hall table. (Two teams to a foursome)

Team captains collect \$2.00 from each player. No chip-ins/birdies. No Ringers

The tee shots will be hit alternately, one partner will tee off on the odd-numbered holes and the other will tee off on the even-numbered holes.

- The first player will tee off on hole #10. The next shot will be hit by the second player. The ball must be hit where it lies (as it is found unless some other rule comes into play).
- Continue in this manner until you have holed out or you have reached 10 shots.
- Place the team score for that hole on the score card
- On hole #11 the second player from each team will tee off and proceed as above.

Total the team scores and return cards to the pro, give cash to scorers. 50% handicap will be used and determined by the pro working with us on this event.

*Each two person team decides who Tees off first.
