

The Textual Criticism of Ps23:6 by DaySun Lee

Based on the internal evidences such as LXX and Ps27:4, I determine that the **כְּתִיב, וְשָׁבְתִי** (Ps23:6, v4 by BHS) should be read, not as a preterite from neither **שׁוּב** nor **יָשַׁב**, but as **וְשָׁבְתִי** (=καὶ τὸ κατοικεῖν με) an infinitive from **יָשַׁב** to dwell.
