# Long Range Lever Rifle (Rifle caliber)

Shoot (5) rounds each target (total 10 rounds) for score.

Sights must be period correct. No receiver sights allowed. No cartridge chambered for use in any SASS approved main match revolver or rifle may be used in this event. Any shooting position and the use of cross-sticks is permitted, except that the standing or off-hand position is unsupported only.

One sighting round may be fired before shooting for score at your choice of target. Shooter may start on either target. Shooter starts with six (6) loaded in rifle. Shooter announces "Ready for sighter". Do not eject round. Leave empty case in chamber so rifle is ready to shoot for score. Shooter says "Ready". Shoot five at one target, reload, and shoot the other five at second target. Make rifle safe.

Winner is decided by total number of hits with time as the tie-breaker.
