2 complaints were received for Grant Valley Road that it is slippery and needs sand. The sanding was done yesterday.

OLD BUSINESS:

City of Wilton has filled the holes or possibly the county may have filled them.

Nothing new on Whisperwood.

Supervisor Hiltz met with Nate from the city and Al Felix and the school wants the annexation done now. They want the orderly annexation paperwork filled out as soon as possible. The City Council wants everything annexed now, not just the school. Supervisor Hiltz told them no that wasn't the plan. If that is to happen now, then Grant Valley would want something in writing from the City showing the cost for the businesses and other residents that would be annexed. Discussion held. Nate will be at our January meeting along with possibly Jim Hess.

Supervisor Hiltz made a motion to send letters to the 4 residents that annexation would be discussed at the January meeting. Supervisor Fuller seconded motion and it carried on unanimous voice call vote. Discussion held.

Supervisor Moudry will be absent for the January and February meetings. He wanted it to know that his vote would be to have the school be annexed now and bring the rest in gradually over 2 years or go to 5 years and waive \$12,000.00 fee.

CORRESPONDENCE/REPORTS:

Supervisor Hiltz reported on the Fire Association. The airport is now out of the rural fire association and they are doing the work themselves. New fire truck for the association coming in next week and the old big tanker was sold to Solway.

ROADS: Mel Spies called Supervisor Hiltz and indicated we don't need to plow past the first T in his development on Trophy Buck.

Keith will check on Old Willow Court 30 mph sign.

As there was no further business, Supervisor Moudry made motion to adjourn. Supervisor Fuller seconded motion and it carried on unanimous voice call vote. Meeting adjourned at 7:40 p.m.

Respectfully Submitted,

Angela Schmidt
Clerk
