

BIKES ACTIVE

Are looking for MTB instructors!

- We're seeking individuals who are passionate about mountain biking and dedicated to engaging with young people who share this enthusiasm.
- Ideally, you should possess experience working with young people in a teaching or instructing capacity.
- You should have experience in bicycle mechanics to ensure the smooth operation and maintenance of equipment.
- We highly value diversity and inclusivity, so should you identify as female or non-binary or Aboriginal you are encouraged to apply.

**"Four wheels move the body,
two wheels move the soul."**

No two days are ever the same!

Casual
position with
4-12 hours
per week

Opportunity to
facilitate
remote school
holiday trips

Different
schools and
different
students each
term

In school and
out of school
opportunities and
lots of work
variety!

...You will facilitate a 7-week program where students increase their physical activity and confidence while learning how to ride a MTB...

You will start with drills and assessments of student's skills and work up to taking students out on mountain bike trails.

You will be a confident mountain bike rider who enjoys teaching students and has mechanical knowledge.

You will be patient, caring, understanding of challenging behaviours, positive and fun!

You will have First Aid, WWCC, RHANN, a driver's license and experience towing a trailer.

If you know how to teach young people how to ride a mountain bike safely, then please get in touch via antje@bikesa.asn.au
