# ATTENTION YEAR-END VEHICLE BUYERS

NOW IS THE TIME TO PRE-ORDER!

**\*\*WE EXPECT DELAYED DELIVERY\*\***

Following substantial, long lasting, and widespread plant and supplier shutdowns due to the Coronavirus, vehicle manufacturers are BEHIND on building vehicles, and dealership inventory levels are extremely low! For those of you that commonly special order vehicles towards year-end, OR want a specific list of features and options on your vehicle we recommend pre-ordering your next vehicle NOW to ensure that you either already have the vehicle by year-end or at least have the VIN# for it prior to year-end to lock in your 2020 tax savings!
