- Average ER visit was more than \$2000 in 2022!
- 44% of American households would encounter significant financial difficulties within half a year if they lost the primary wage earner in the family, and 28% would reach this point in only a month!

B&W Insurance Group, LLC has partnered with the South Carolina State Cosmetologist Association to offer an exciting suite of benefits for the members of the South Carolina State Cosmetologist Association! Make an appointment today to discuss the options below.
