AMERICA
REACHING YOUTH SINCE 1981

TONY & FRIENDS

Tony Rizzo is a dedicated, energetic servant of God with a passion for seeing people come to know Christ. God has blessed him and his family with an effective open-air Gospel ministry. He also conducts evangelism training seminars with churches and orchestrates mission trips. Our church has had the privilege of benefitting directly from his work. He also maintains regular itinerary preaching with us. I know Tony as a personal friend and a trustworthy man of God. Without hesitation, I believe his ministry is used by God and would benefit any church wanting to reach the lost for Christ.

Candy Galore
Christmas Party
Super bowl party
Spring Fling
Summer Kick-off
Summer Blast
End-of-Summer Bash

What's in it for you?

- Classroom and On-the-job training.
- Opportunity to sharpen your skills in evangelism..
- Understanding of how YSZ work
- Ministry in the lives of inner city teens.
- Ways to glorify God.
- Means by which to grow in grace, faith, and obedience to God

"Youth Safety Zone is a cutting-edge student outreach by which any local church ministry can benefit. It extends effectively into the lives of many teens. The YSZ team is a blessing not only to our church but also to the community that we serve. As a result of YSZ, many young people have come to a personal knowledge of Jesus Christ. Their lives truly have been changed through the introduction of God's Word."
