Premium Baja Margarita

What makes this drink special is the inclusion of damiana, a liqueur produced from an herb found in Baja California that is often called an aphrodisiac. It is a personal favorite!

Ingredients

2 ounces añejo tequila
1 ounce lime juice
3/4 ounce Grand Marnier
1 ounce damiana liquor

Directions

Place the ingredients in a cocktail shaker with ice, shake for 30 seconds, then strain into a martini glass rimmed with salt and garnish with a lime wedge, or serve on the rocks.
