Baltimore, MD 21217

Conceived and steered by **Coach Garfield Thompson**, the Executive Director of the McKim Center and the McKim Community Association, Inc., the **McKim Community Games** is an annual all-day spring track and field competition for youth aged 5 through 14. Hosted by the 200-plus year-old McKim Center, the games epitomize the community center's foundational vision of peace through athletics.

At a time when the news media focuses on Baltimore's challenges for youth, the games represent an unprecedented time and place to celebrate peacemaking within Baltimore's families and neighborhoods.

Thank you to our current sponsors, the **Baltimore Rotary Club** & the **Baltimore Wisdom Project**.
