- VIII. Constitution Committee: Jill Stewart (committee chair) to compile rules/regulations/guidelines. Current issues have created need for greater organization.
- IX. Lateness to rehearsal: Guidelines will be established and published on website based upon the best interests of students and performances.

New Business:

- I. Lynda Reid (SP) moved that the piece performed for taped audition [for student soloist competition] must be the piece performed at the concert. In longer or multi movement works a single movement may be performed in lieu of the entire piece at the discretion of concerto organizer in consultation with soloist and soloist's home director. Seconded by Brian Harris (MCC). Motion carried
- II. Hotel Issues: Hotel may assess fees against those who have altered reservations, causing hotel to lose money.
- III. Larry Campbell (Blinn) moved that all panels in chair auditions must hear three cuts with audition etudes available for use in chair placement auditions. Students must have etudes prepared for placement auditions. Audition Chair will send full audition etude to each audition room. Seconded by Philip Lowe (Hill). Motioned carried.
- IV. Mike McGowan (Panola) questioned number of alto saxophones in Concert Band. Poll of membership present reaffirmed current practice.
- V. Concert Band Clinician results:
