### **PARENT/GUARDIAN PANDEMIC SAFETY PLAN**

Your health and safety is our concern. In keeping in line with our Mission Statement to “provide a fun and safe learning environment with a family centered focus” and in accordance with CDC guidelines and safety in our school, the following checklist was created with you in mind.

- ✓ As COVID-19 is an illness caused by a virus that can spread from person to person you should avoid close contact with people who are sick.
- ✓ Wear a mask at all times when out in public.
- ✓ Wash hands often with soap and water for at least 20 seconds mainly after using the restroom, before eating, and after blowing your nose, coughing, or sneezing.
- ✓ Use a hand sanitizer that contains at least 60% alcohol if soap and water is not readily available.
- ✓ If your child is sick with any illness, keep them at home and contact your healthcare provider. Contact us and let us know.
- ✓ Be prepared that the center might temporarily close.
- ✓ Talk with your employer about sick leave and telework options in case you need to stay home with your child. Consider planning for alternate childcare arrangements.
- ✓ Check your email and Remind App regularly for updates from CELA.
