CAPE FEAR

SANTEE

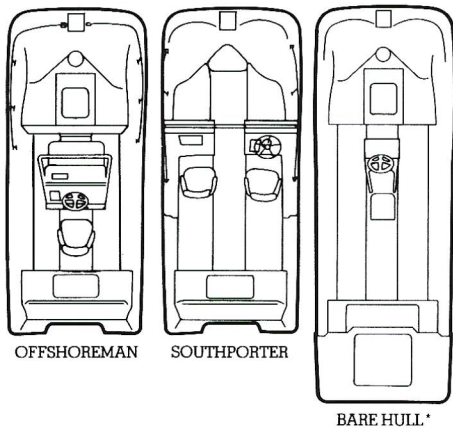

WACCAMAW

Because you want it both ways... you can choose the 16 footer in three designs. Offshore, in the sound or in the lake, you'll appreciate this spacious, seaworthy craft with low draft that handles easily both the whitecaps and the shallows.

SPECIFICATIONS: 16' Outboard

Centerline Length	16'
Beam	6'6"
Minimum Horsepower	70
Maximum Horsepower	115
Max. Persons Capacity	900 lbs.
Max. Weight Capacity	1600 lbs.
Approx. Shipping Wt.	1170 lbs.

OFFSHOREMAN

SOUTHPORTER

BARE HULL*

*with optional features including fantail.

17

Because you want plenty of room . . . you'll choose the 17 footer, designed with ample space on deck and in covered storage. Run up the river or take off outside, the McKee 17 is ready to go with all your gear. You'll think it's bigger than it really is!

SPECIFICATIONS: 17' Outboard

Centerline Length	17'4"
Beam	7'4"
Minimum Horsepower	80
Maximum Horsepower	160
Max. Persons Capacity	1185 lbs.
Max. Weight Capacity	1805 lbs.
Approx. Shipping Wt.	1480 lbs.

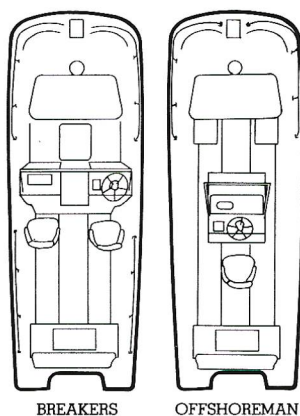

Because you want it to work for you . . . The 20 footer is designed with functional in mind. This boat does the job with durability and reliability. Plenty of clear deck area and storage space make the McKee 20 adaptable to almost any nautical performance.

Every new McKee Craft is certified by the Boating Industry Association and meets U.S. Coast Guard requirements for load and horsepower capacity, level flotation, navigation lights, steering and compartment ventilation.

SPECIFICATIONS: 20' Outboard

Centerline Length	20'
Beam	7'
Minimum Horsepower	80
Maximum Horsepower	175
Max. Persons Capacity	1725 lbs.
Max. Weight Capacity	2380 lbs.
Approx. Shipping Wt.	1705 lbs.

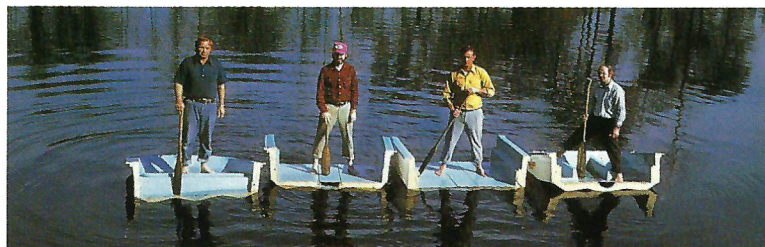

McKEE MAKES ONE FOR YOU

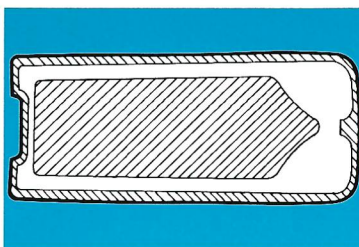

Because McKee makes one for you... you choose the size, the features and the options for your McKee Craft. We'll do the rest—starting with our two separate fiberglass hulls (the outer cathedral hull design providing a stable, comfortable ride—the inner hull finished with non-skid flooring), sealed together and filled with our special polyurethane foam core material. That's the key to the high performance, **UNSINKABLE** McKee Craft!
