MFG BY LANNES K. McKEE AND CO FAIRMONT, N.C

Craft

THE UNSINKABLES

McKee Craft Tradition began in 1966 with our 14' Boats. Hulls were designed to offer superb stability. Built tough and rugged, standard construction features include "workboat specifications", solid transoms of one-inch plywood laminated in place,

plywood laminated in flat interior floor and other areas to facilitate securing equipment. Plus it is fully foamed and "Unsinkable". Whether fishing, crabbing or pulling a skier, do it in the tradition that many families have done for over two decades, do it

A 16' McKee is a fun place to be — for fishing, waterskiing or picnicking. Select the 16' CC Fisher for its open and unobstructed space. Choose the openness of the 16' Santee Deluxe with its standard built-in fuel tank, stainless wrap-around bow rail and windshield. For the fisherman, the 16' Cape Fear comes standard with a 19-gallon built in fuel tank, rod racks, an oval

At home, on the lake or river, the 17' McKee is equally at home in coastal or offshore waters. From its ruggedly-constructed hull to its many standard features, a 17' McKee will work for you. All three 17' models share the same proven hull design. Standard equipment on all three models includes built-in fuel tank, metal framed-tempered glass windshield, stainless steel wrap-a-round bow rail and many more. Plus they all offer the safety of an "unsinkable hull". With the 17' Off-

shoreman, the fisherman can move freely around its center console. Move up to the 17' Offshoreman Fisherman and get rod racks, flip-back 84-qt. polar craft cooler seat and a large 18-gallon oval shaped aerated livewell — All Standard. Those looking for a family fun boat may select the 17' Southporter with its walk-thru console design and standard bow cushions. The 17' Southporter can always be ordered with the optional aerated livewell for that all-around fun and fishing boat.

HAMMERHEAD 198 CC

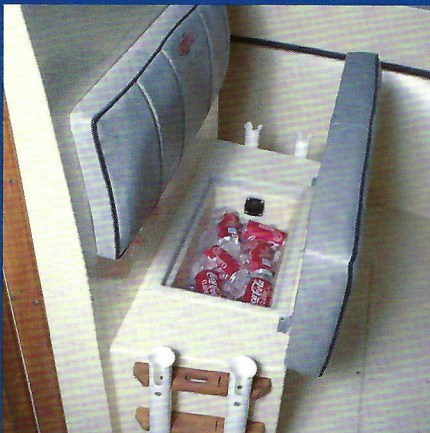

HAMMERHEAD 198 CC

SPECIFICATIONS — 20' MODELS

OVERALL LENGTH	19'8"
BEAM	8'0"
WEIGHT	2400 LBS.

HAMMERHEAD 198 WT

ard features such as non-skid deck, large foamed into place fuel tank, large fish box, large below deck aerated livewell, compass, stainless rails and hardware, full fiberglass stringer system Plus they are fully foamed and "unsinkable" for safety. Experience the vibration free ride on the 20' Center Console as you head offshore.

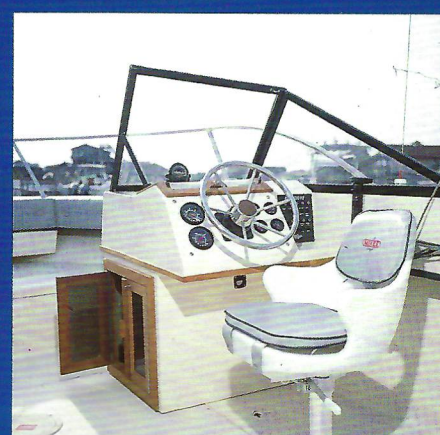

You'll appreciate the open space the Center Console offers when you get that big fish on — unrestricted movement from bow to stern. Spend an afternoon cruising, skiing, fishing or anything else you enjoy doing on the water with the family in the 20' Walk Thru. Both models give you a stable ride and smooth performance.

tough... it's dependable

HAMMERHEAD 220 WT

HAMMERHEAD. The boat is as tough as its name. The "Unsinkable Hammerhead 220 Center Console is McKee Craft's Ultimate Fishing Machine. Its Vee Hull and foam core construction gives a smooth, dry, solid and stable offshore performance for the sportsfisherman. Equip the "Unsinkable"

Hammerhead 220 Walk Thru with the optional aft curtain for full closure and rough it overnite. Take the neighborhood kids — it's rated for 12 persons, on that fishing trip. You will appreciate the safety of its tall freeboard and full foam floatation. It's a **HAMMERHEAD.**

McKEE CRAFT BOATS ARE DESIGNED AND BUILT TO WORKBOAT SPECIFICATIONS. EACH HULL WAS DESIGNED FOR SUPERB STABILITY AND THEN FILLED WITH A SPECIAL POLYURETHANE FOAM CORE MATERIAL FOR FLOATAION — FAR EXCEEDING COAST GUARD REQUIREMENTS — ENOUGH FOAM FLOATAION TO MAINTAIN THE POWERHEAD ABOVE WATER UNDER SWAMPED CONDITIONS. EACH McKEE CRAFT HULL IS UNSINKABLE AND IS BACKED BY OVER TWO DECADES OF EXPERIENCE BUILDING SAFETY INTO EACH HULL WE PRODUCE. FOR OVER TWO DECADES McKEE CRAFT HAS PROVIDED DEPENDABLE AND SAFE WATER TRANSPORTATION TO THE BOATING PUBLIC WHICH INCLUDES PRIVATE BOATERS AS WELL AS LOCAL, STATE AND FEDERAL AGENCIES. NO MATTER WHAT YOUR BOATING REQUIREMENTS MAY BE — FISHING, SKIING, CRUISING, WORKING OR ALMOST ANYTHING YOU MAY CHOOSE TO DO ON WATER — DO IT IN A VERSATILE McKEE CRAFT. A FULL COMPLEMENT OF ACCESSORIES ARE AVAILABLE TO MEET YOUR NEEDS.
