TAKE A DRIVE ON THE WILD SIDE!!

See and feed hundreds of animals from your car window as you travel along our 5 1/2 mile drive-thru safari. You will come face to face with deer, bison, antelope, ostrich, emus, and many other rare and endangered animals from around the world. Feed is available at the ticket booth as you enter.** But that is not all! After the safari, you can travel around the globe as you make your way through our walk-thru zoo where you can see primates, birds, foxes, and many rare plants.. Don't forget to feed Jerry the Giraffe a carrot. Frolic with the baby goats and explore the gift shop for the odd reptiles and perfect souvenir.

** No outside feed allowed for animals**
