

Hello, Fall

The beautiful leaves  
stand out with the colorful  
fall trees.

Yellow, orange, and  
green stand for what  
fall means.

The jagged mountains  
stand tall against the clear  
blue sky.

Don't we all just  
wonder why?

Goodbye summer; fall  
time is here.

We are  
all skipping along  
with happiness  
and cheer.
