President Patsche asked for discussion on the municipal building rentals for the month of November. After discussion it was decided that no rentals in the month of November and will revisit at the November meeting on whether we will rent the hall in December.

President Patsche asked for discussion on the repair of the leak on the roof vent at the Municipal Building. The Village received two bids, one did not come inside to look at the damage, one did. After discussion the Board will meet at a special meeting to discuss the bids once the Trustees have a look. Trustee Eskew, Haines and Pierce will take a better look at the area to understand what all needs done and report back.

President Patsche asked for discussion on the idea of putting together an ordinance that allowed for slow moving vehicles in the Village on Village roads. They could only be used on Village streets and would not be allowed on the park paths. The vehicles would be considered just like a car would be, horn, lights, turning signals, etc. There is a lot of logistics that need to be thought through on this issue, President Patsche wants the board to think about it and we will come back to it at a later time.

President Patsche read the resignation letter from Dane DeWitt. Sergeant DeWitt resigned from the Village of Southern View Police Department effective on October 25, 2021. Dane will be missed by the Department and we wish him success in his future employment as a Sangamon County Deputy.

President Patsche read the resignation letter from Cody Bounds. Cody resigned from the Village of Southern View Public Works Department effective on October 22, 2021. Cody accepted a position with Waste Management. We wish him the best.

President Patsche read a resignation letter from Karen Patterson who sat on the Southern View Zoning Board. Karen is moving to a retirement community and is leaving the Village. We wish her well on her next chapter and we thank her for her time and commitment to the Village.

President Patsche read a letter from the Office of Secretary of State regarding the official 2020 Decennial Census numbers of the Village. The Village contains 1,596 inhabitants.

President Patsche reported that the Straight Street project is moving forward this week as work has started. Public Works has completed the winterization of the Park rest rooms.

Trustee Pierce had nothing to report.

Trustee Briggs had nothing to report.

Trustee Bourland had nothing to report.

Trustee Eskew stated November 18, 2021 will be the next neighborhood watch at 6:00 pm at the Village hall and the topic will be fire safety. Trustee Eskew would like a post card to all residents for notice of the meeting. Trustee Eskew will keep in contact with the owners on Carman to ensure they continue to keep the weeds cut around the home.

Trustee Haines reported the Parks are look good and we only lost one minnow in the pond. Thankfully with the geese gone, the pond has shown signs of good health that will help the fish grow. Trustee Haines would like to see kids fishing in the pond and be able to catch a catfish in a few years.
