All HOA Member and Board meetings will be held in-person with a Virtual Meeting option. The in-person meeting will be held in the conference room in the Keller Williams office located at: 59 Alafaya Woods Blvd, Oviedo, FL 32765.

The public will have access to all electronic HOA meetings as explained below.

You are invited to join the meeting using either a computer or phone per the following instructions.

1. Option to Join using a Computer (Preferred because we may be sharing files you will want to view)

Please ensure your speakers are turned on but your mic is muted until you are recognized to speak.

Join by clicking the following link or copying and pasting the link into the browser on your computer.

<https://johnfpainter.my.webex.com/wbxmjs/joinservice/sites/johnfpainter.my/meeting/download/a51d900981ad4f149e3ce1f9f7afa094?siteurl=johnfpainter.my&MTID=mf1853322bfdc95bc165369a29ea8c36b>

When you activate the link, unless you have installed the Webex App. your browser should open, you will see an option to [Join from your browser](#)

Click on that link and you will be asked to enter your name and email address (needed to identify you), and then click a button labeled “Join Meeting”. You also will have the option to download an app.

If you join using your browser, no software will be installed on your computer. The entire meeting will occur within your browser. For the best experience, please join using either Firefox or Chrome browsers updated to the latest version. Other browsers also will work if you do not already have one of those preferred browsers on your computer.

To be recognized to speak, prior to the meeting, please send an email to: Board@TwinRiversHOA.com to let me know you would like to be recognized. Please put Request to Speak in the subject line. When you hear your name called, un-mute your mic and you will have the floor. When done speaking, please mute your mic again.

Keeping your mic muted when you are not speaking will prevent background noise from your location disrupting the ability of other participants to hear.

Also, please be sure your speakers are adjusted to a mid-range volume setting. If speakers are set to a max or high-range volume setting, your speakers will cause squealing/feedback through your mic when it is not muted.

2. Option to Join by phone or video system.
