**2017 Catholic Services Appeal:** Bringing Christ to Others: Thanks to those who have already responded with a gift to the 2017 Catholic Services Appeal. To date, we have raised \$3,827 towards our goal through the support of 18 households. There is still plenty of time to respond with a gift to this year's Appeal. Gifts can be made through our parish office, or online at [www.ArchLou.org/CSA](http://www.ArchLou.org/CSA). We have met 28% of our goal. Thank you for your generosity.

*Thank you for your stewardship of treasure.*

From Pope Francis' Encyclical ON CARE FOR OUR COMMON HOME: The culture of relativism is the same disorder which drives one person to take advantage of another, to treat others as mere objects, imposing forced labor on them or enslaving them to pay their debts. The same kind of thinking leads to the sexual exploitation of children and abandonment of the elderly who no longer serve our interests. It is also the mindset of those who say: Let us allow the invisible forces of the market to regulate the economy, and consider their impact on society and nature as collateral damage. In the absence of objective truths or sound principles other than the satisfaction of our own desires and immediate needs, what limits can be placed on human trafficking, organized crime, the drug trade, commerce in blood diamonds and the fur of endangered species? Is it not the same relativistic logic which justifies buying the organs of the poor for resale or use in experimentation, or eliminating children because they are not what their parents wanted? This same "use and throw away" logic generates so much waste, because of the disordered desire to consume more than what is really necessary. We should not think that political efforts or the force of law will be sufficient to prevent actions which affect the environment because, when the culture itself is corrupt and objective truth and universally valid principles are no longer upheld, then laws can only be seen as arbitrary impositions or obstacles to be avoided." (Paragraph 123)

Parish Invitation: As you have heard over the last couple of weeks, All Saints is embarking on a discernment process in response to Archbishop Kurtz's Pastoral Letter, *Your Parish: The Body of Christ Alive in Our Midst*, as we seek to recognize and celebrate the areas in which God has blessed our parish community, and identify new priorities and areas on which we can focus to respond to God's will for our parish and plan for the future. On November 5th, after the 12:00 Mass, we will have a potluck lunch, followed by a parish listening session which will be facilitated by the Archdiocese. This is to provide all of you an opportunity to share your thoughts and perspectives. Thank you in advance for your prayerful participation and the valuable insights you will bring to this process as we prayerfully plan for the future of All Saints, together.

SAVE THE DATE!
