2017 CATHOLIC SERVICES APPEAL:

Bringing Christ to Others: *Thanks to those who have already responded with a gift to the 2017 Catholic Services Appeal. Our Parish target is \$13,500; our participation goal is 72. To date, we have raised \$7,278 towards our goal (54%) through the support of 45 households (63%). There is still time to respond with a gift to this year's Appeal. Gifts can be made through our parish office, or online at www.ArchLou.org/CSA.*

Parish Support: \$3,102.32

Thank you for your stewardship of treasure!

RCIA: To learn more about our Catholic faith, please contact Carmen Rendon at crendon130@aol.com.

Stewardship Reflection: "Jesus said to them, "Come after me, and I will make you fishers of men." Then they abandoned their nets and followed him." [Mark 1: 17-18] If we truly recognize that all the things we have in life are gifts from God, would we be able to heed Christ's call to give it all up and follow Him?

Scholarship Tax Credit Alert: The Kentucky General Assembly is considering House Bill 134 and Senate Bill 36. These bills create a Scholarship Tax Credit Program in Kentucky, which would increase tuition assistance for students who attend non-public elementary and high schools, including Catholic schools. Please use the link found at <https://www.votervoice.net/CCKY/Campaigns/55981/>. Respond to urge your state lawmakers to support Scholarship Tax Credits.

From Pope Francis' Encyclical ON CARE FOR OUR COMMON HOME: "Although no conclusive proof exists that GM cereals may be harmful to human beings, and in some regions their use has brought about economic growth which has helped to resolve problems, there remain a number of significant difficulties which should not be underestimated. In many places, following the introduction of these crops, productive land is concentrated in the hands of a few owners due to "the progressive disappearance of small producers, who, as a consequence of the loss of the exploited lands, are obliged to withdraw from direct production". [113] The most vulnerable of these become temporary laborers, and many rural workers end up moving to poverty-stricken urban areas. The expansion of these crops has the effect of destroying the complex network of ecosystems, diminishing the diversity of production and affecting regional economies, now and in the future. In various countries, we see an expansion of oligopolies for the production of cereals and other products needed for their cultivation." (#134)

Prayer Intentions: You are encouraged to write your prayer requests in our Book of Prayer Intentions, which will be remembered in prayer at each Mass. The Prayer Intention Book is located on a stand near the Sanctuary.

Parenting Pointers: January 19 was the 45th annual March for Life in Washington DC. Tens of thousands of Pro-Life supporters testified to their opposition to abortion. Couldn't go to Washington? You can still testify. Talk with your child about the value of life no matter how young or how old. Perhaps donate baby items to a pregnancy center. [By Susan Vogt, www.susanvogt.net]
